

# UB01

Macaron Data Cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, pink, green, blue

---

## Selling points

- Novel and fashionable macaron colorful shape design
- Black, white, pink, green and blue five colors to choose from
- Support charging + data transfer

# UB02

Second generation macaron  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Novel and fashionable shape design
- Black and white color options
- Support charging + data transfer

# UB03

Three generations of  
macaron data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, blue, pink

---

## Selling points

- Novel and fashionable macaron colorful shape design
- Black, white, blue and pink four colors to choose from
- Support charging + data transfer

# UB04

Macaron Data Cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, blue, pink

---

## Selling points

- Novel and fashionable macaron colorful shape design
- Black, white, blue and pink four colors to choose from
- Support charging + data transfer

# UB05

NB156 stripe charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, pink, green

## Selling points

- Novel and fashionable striped shape design
- Black, white, pink and green colors are available
- Support charging + data transfer

# UB32

Charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: PVC
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Long net tail low price model
- Support charging + data transfer

# UB198

CL-115 Formed Data Cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## Selling points

- Unique wire body design
- Black and white color options
- Support charging + data transfer

# UB184

New formed Data Cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, pink, green, purple

---

## Selling points

- New macaroon color system private mold appearance design
- Black, white, pink, green, purple five colors to choose from
- Support charging + data transfer

# UB28-1

colorful PVC data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## Selling points

- The new line body color design
- Black, white, pink, green, purple five colors to choose from
- Support charging + data transfer

# UB06

Business models charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- New and fashionable shape design, classic hot models
- Black and white two color options
- Support charging + data transfer

# UB07

Lollipop Data Cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white,pink,green

---

## Selling points

- Fashion lollipop appearance design
- Black, white, pink and green four colors to choose from
- Support charging + data transfer

# UB08

Long net tail pvc data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## Selling points

- Net tail extension design pvc data cable
- Black and white colors available
- Support charging + data transfer

# UB09

Monochrome logo design data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## Selling points

- Two-color to single-color data cable
- Black and white colors available
- Support charging + data transfer

# UB10

CB221 Embossing data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## Selling points

- pvc embossed data cable
- Black and white colors available
- Support charging + data transfer

# UB11

Tri-color soft rubber data cable  
L/M/T

## ⚙️ Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, green, purple, yellow, pink

---

## ★ Selling points

- Three colors of soft rubber data cable
- Black, white, green, purple, yellow and pink six color options
- Support charging + data transfer

# UB12

PVC Glossy data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: yellow, pink

---

## Selling points

- pvc glossy soft rubber data cable
- Black, white, green, purple, yellow and pink six color options
- Support charging + data transfer

# UB13

Two-color dark and light data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, green, purple, yellow, pink

---

## Selling points

- pvc dark and light two-color data cable
- Black, white, green, purple, yellow and pink six color options
- Support charging + data transfer

# UB14

Battle Armor Data Cable  
L/M/T

## **Parameter**

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## **Selling points**

- Cool battle armor data cable
- Black and white two color options
- Support charging + data transfer

# UB15

CB456 L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white, pink, green, purple, yellow

---

## Selling points

- New girl macaroon data cable
- Black, white, pink, green, purple and yellow six color options
- Support charging + data transfer

# UB16

Jade bottle charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Features jade bottle shape design data cable
- Black and white color options
- Support charging + data transfer

# UB17

CB164 Armor Data Line  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Novelty fashion armor data cable
- Black and white colors available
- Support charging + data transfer

# UB18

CB123 Formed Data Cable  
L/M/T

## **Parameter**

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## **Selling points**

- Novelty fashion formed data cable
- Black and white colors available
- Support charging + data transfer

# UB19

1Plus new charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## Selling points

- Novel and fashionable shape design
- Black and white color options
- Support charging + data transfer

# UB20

CK Formed charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Fashionable and simple bar trace shape design
- Black and white color options
- Support charging + data transfer

# UB21

Rattler charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Unique style of the rattle shape design
- Black and white color options
- Support charging + data transfer

# UB22

Extreme Teng charging  
data cable L/M/T

## **Parameter**

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## **Selling points**

- Simple notch shape design
- Black and white color options
- Supports charging + data transfer

# UB144

H-shaped molding line data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- High-end atmospheric shape design, the favorite of brand customers
- Black and white color options
- Support charging + data transfer

# UB145

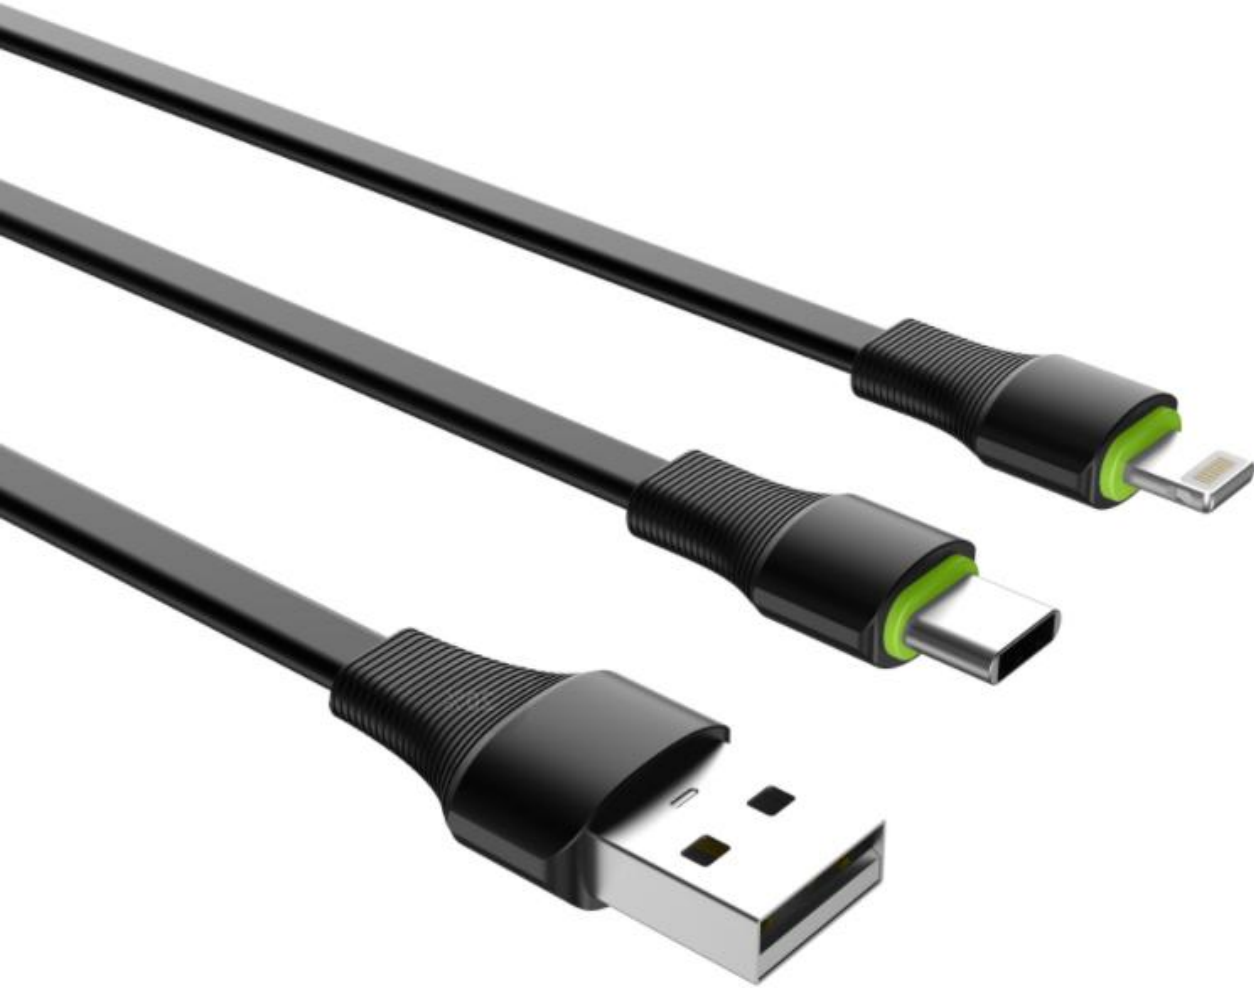

ACL Forming Data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- High-end atmospheric shape design
- Black and white color options
- Support charging + data transfer

# UB185

Formed Data Cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

---

## Selling points

- Fashionable green inner mold design
- Soft flat cable body
- Support charging + data transfer

# UB23

CC08 Casing data cable  
L/M/T

## **Parameter**

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## **Selling points**

- One-piece molding appearance design, cheap running models
- Black and white two color options
- Support charging + data transfer

# UB24

Original casing data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: TPE + ABS shell
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional color: black, white

## Selling points

- ABS shell shape design
- Black and white color options
- Support charging + data transfer

# UB151

New creative hook line  
L/M/T

## **Parameter**

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## **Selling points**

- Storage design hook shape data line
- Black and white color options
- Support charging + data transfer

# UB209

New molding line L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- One-piece molded data cable
- Black and white color options
- Support charging + data transfer

# UB220

New molding data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Twill bumpy appearance design data cable
- Black and white color options
- Support charging + data transfer

# UB208

New molding data cable  
L/M/T

## **Parameter**

- 1,Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## **Selling points**

- One piece molded pvc brushed pattern data cable
- Black and white color options
- Support charging + data transfer

# UB156

New flat data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- New and fashionable flat line design
- Black, white and pink color options
- Support charging + data transfer

# UB25

Two-color flat wire

L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 102 copper wire
- 5, optional colors: black, white

## Selling points

- Low-priced model two-color flat line appearance design
- Single highlight logo to show the appearance design
- pvc new brushed pattern flat wire

# UB213

New transparent molding data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 130 copper wire
- 5, optional colors: black, white

## Selling points

- Fashion candy color transparent shell data line
- Black and white colors available
- Support charging + data transfer

# UB216

New transparent molding data cable  
L/M/T

## **Parameter**

- 1, Length: 1m, Weight: 21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 130 copper wire
- 5, optional colors: black, white

## **Selling points**

- Fashion transparent candy color data cable
- Black and white colors available
- Support charging + data transfer

# TPE系列

TPE series

# UB26

Women's charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Two-color dark and light advanced color scheme design data cable
- Small and delicate head ladies design
- Support charging + data transfer

# UB27

5A charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Fashionable stripe + shape appearance design data line
- Support 5A high current
- Support charging + data transfer

# UB28

Colorful charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Long net tail bend-resistant high-end appearance design data cable
- Support charging + data transfer

# UB29

Liquid silicone youth series data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
  - 2, Material: TPE
  - 3, Joint material: TPE
  - 4, Core: 106 copper wire
- 

## Selling points

- 1. Bend-resistant long net tail design appearance data cable
- 2. Soft body of the cable skin texture, liquid soft rubber wrapped edge
- 3. Support charging + data transfer

# UB30

Liquid silicone youth series data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- 1. Face value online dark and light color with the design appearance data cable
- 2. Soft line body skin texture, liquid soft rubber wrapping
- 3. Support charging + data transfer

# UB31

Aluminum liquid silicone youth series data cable

L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: liquid silicone + aluminum alloy
- 3, Joint material: TPE
- 4, Core: 106 copper wire

## Selling points

- 1. Colorful macaroon cable body + aluminum appearance data cable
- 2. Soft cable body Skin texture, liquid soft rubber wrapped edge
- 3. Support charging + data transfer

# UB177

5.0Thickened silicone data cable

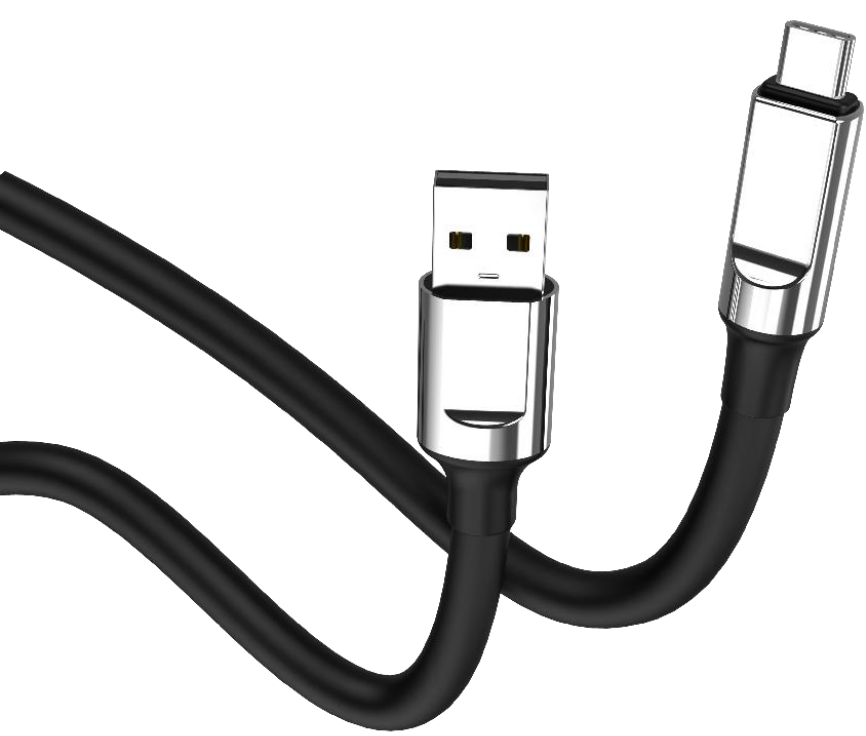

I /M/T

## Parameter

- 1, Length: 1m, Weight: 25g
- 2, Material: environmental protection silicone
- 3, connector material: environmental protection silicone + aluminum alloy
- 4, Wire core: 106 copper wire
- 5, Support (Lightning/Micro): 3A Type-C current

## Selling points

- 1. Food-grade silicone thread, fire-resistant, anti-pull, not easy to deformation, soft and not easy to knot, longer service life: 1.
- 2. Thicker and more flexible silicone material, more flexible and soft, excellent hand feeling
- Support charging + data transfer

# UB188

6.0 Thickened liquid soft rubber charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: liquid silicone
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

---

## Selling points

- 1.OD6.0 thickened liquid silicone, fast charging, no fear of low battery: dirt and dirt resistant, as new for a long time
- 2. Flexible silicone, after 30,000 times bending test does not break, bending resistance more durable
- 3. One second rebound Q-bounce not knotted, to avoid tangling, effective resistance to pulling to prevent breakage
- 4. SR strengthen the design of the folded, not bad
- 5. Support charging + data transfer

# UB161

ABS Charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: TPE+ABS
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- ABS shell pure white design appearance
- Support charging + data transfer

# UB166

Formed braided data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
  - 2, Material: Braided
  - 3, Joint material: TPE
  - 4, Core: 130 copper wire
- 

## Selling points

- Fashionable molding data cable, unique appearance cost-effective
- Two-color striped braided data cable
- Support charging + data transfer

# UB33

Table Tennis Cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
  - 2, Material: Braided
  - 3, Joint material: TPE
  - 4, Core: 130 copper wire
- 

## Selling points

- Fashion stripe molding cost effective data cable
- Support charging + data transfer

# UB34

3A charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: TPE
- 4, Core: 130 copper wire

## Selling points

- Fashion molding cost-effective data cable
- Support 5A, 3A fast charging data line
- Support charging + data transfer

# UB35

Anti-freeze cable data cable  
L/M/T

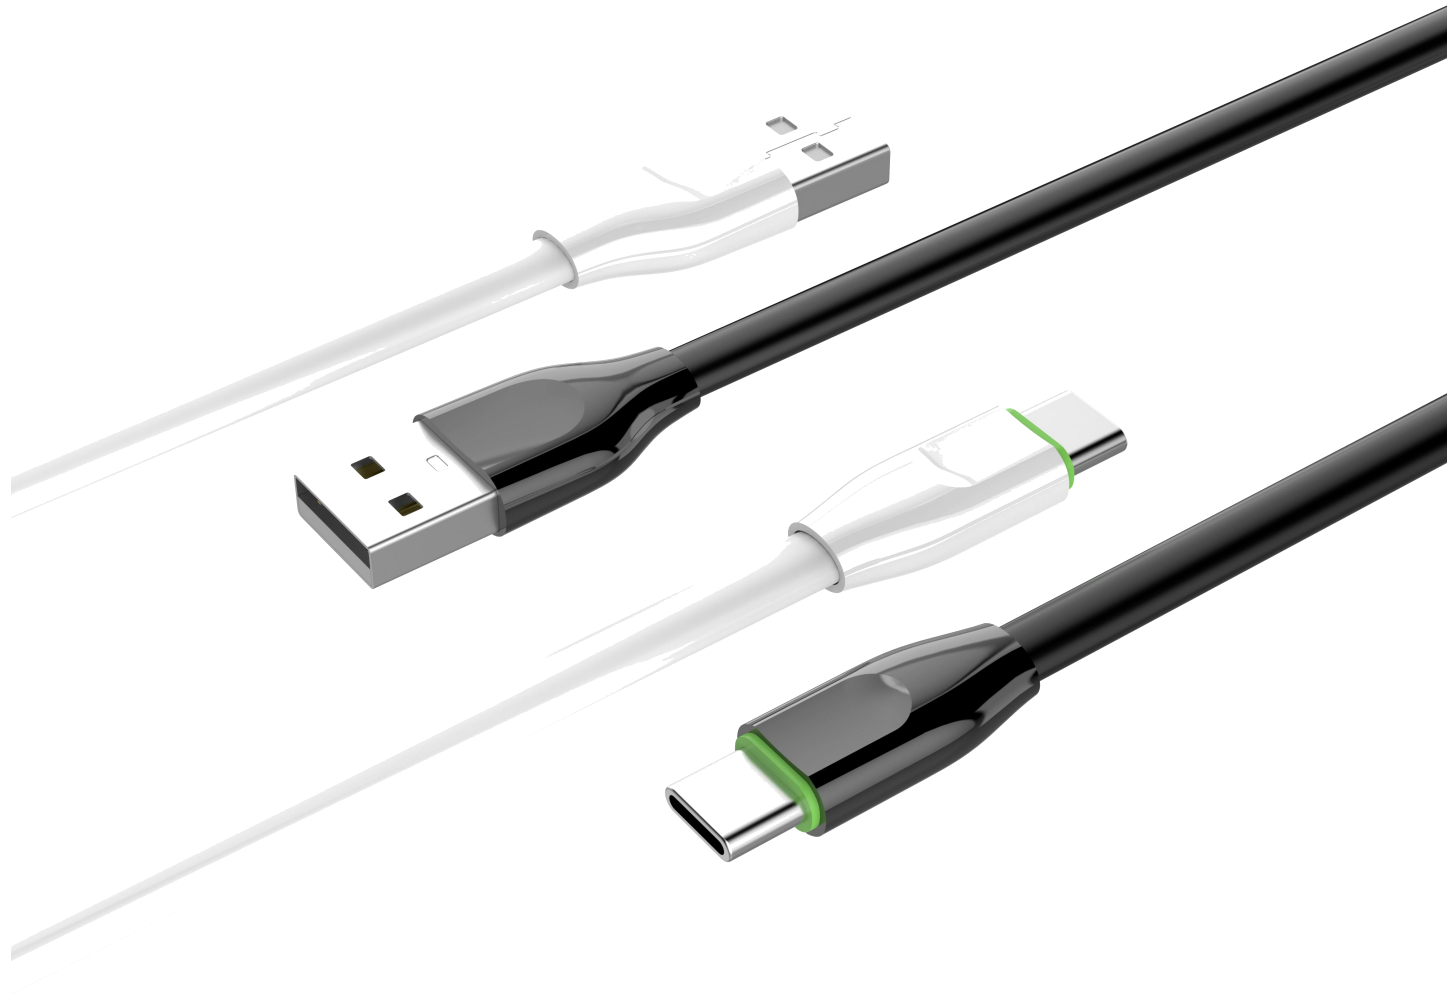

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: anti-freeze wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Anti-freeze wire, soft to the touch, resistant to low temperature -40 degrees
- Long net tail design, resistant to bending and not easy to break
- Private molded plug pattern appearance design
- Support charging + data transfer

# UB36

C185 Special price data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE flat wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Fashionable green inner mold design
- Soft flat cable body
- Support charging + data transfer

# UB214

ABS Rubber Case Data Cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Fashionable green inner mold design
- Soft glossy cable body
- Support charging + data transfer

# UB215

ABS Rubber Case Data Cable L/M/T

## Parameter

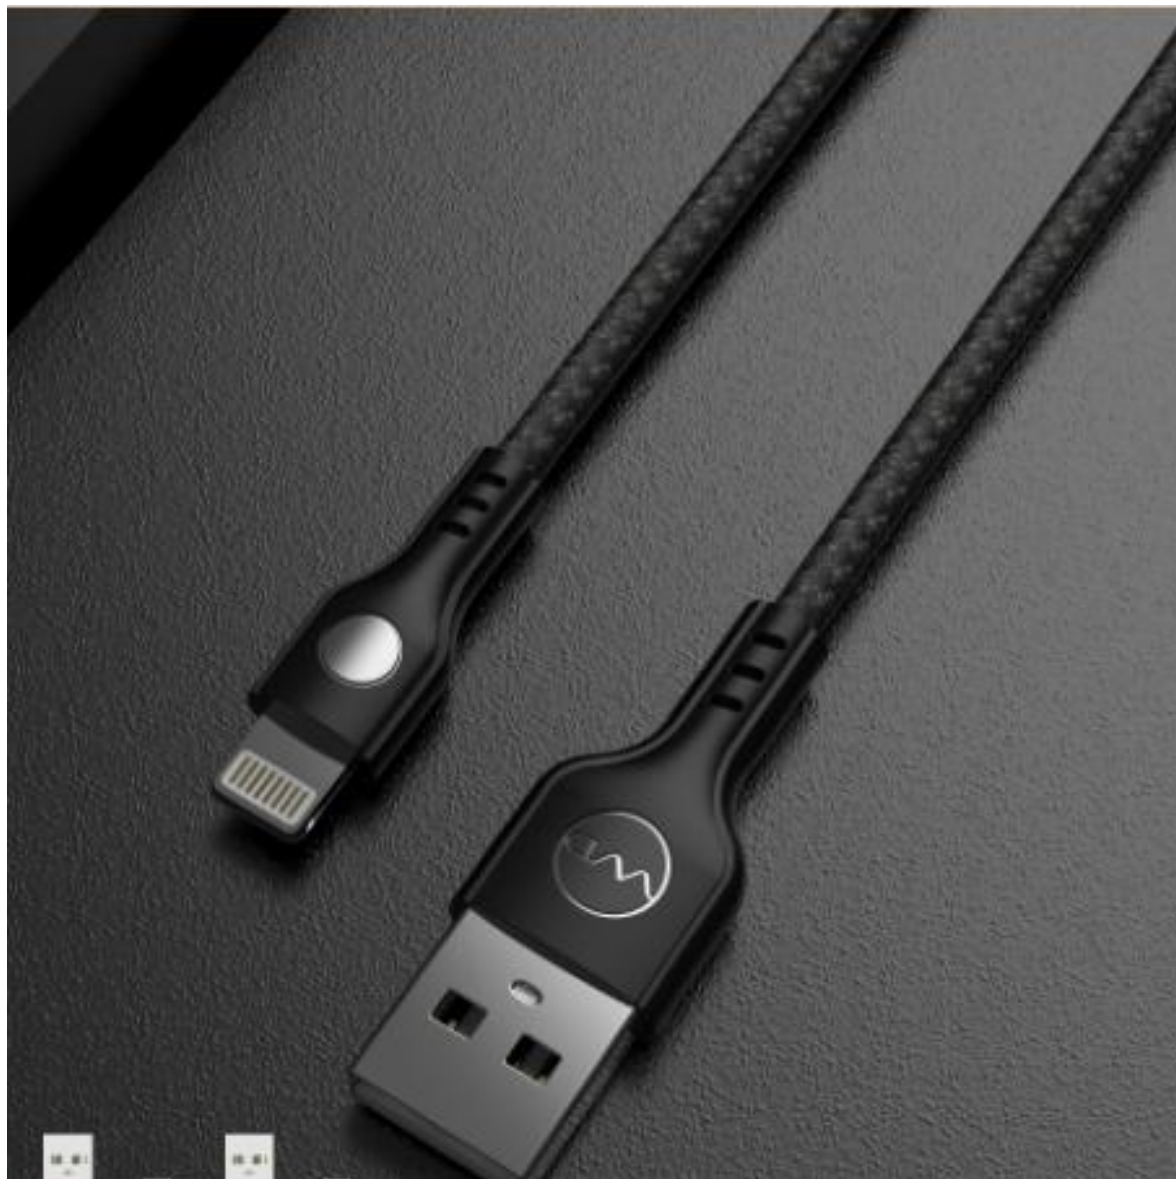

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Fashionable green inner mold design
- Soft glossy cable body
- Support charging + data transfer

# UB234

Aurora Data Cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE embossed wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Patch process, all-round logo highlighting
- Support charging + data transfer

# UB37

TPE nameplate line data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE flat wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- Powerful elastic TPE thread body design
- Name plate design, highlighting the logo in all aspects
- Support charging + data transfer

# UB179

Formed soft rubber cable data line  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: liquid silicone
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- High-end classic molding soft rubber data cable
- Support charging + data transfer

# UB38

U-shaped silicone cable data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: silicone wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- 1. Food-grade silicone thread, fire-resistant, anti-pull, not easy to deformation, soft and not easy to knot, longer service life
- 2. Using thickened silicone material, more flexible and soft, excellent hand feeling
- 3. Support charging + data transfer

# UB192

silicone data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: silicone wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- 1. Food-grade silicone thread, fire-resistant, anti-pull, not easy to deformation, soft and not easy to knot, longer service life
- 2. Using thickened silicone material, more flexible and soft, excellent hand feeling
- 3. Support charging + data transfer

# UB39

X21 silicone data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: silicone wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- 1. Food-grade silicone thread, fire-resistant, anti-pull, not easy to deformation, soft and not easy to knot, longer service life
- 2. Using thickened silicone material, more flexible and soft, excellent hand feeling
- 3. Support charging + data transfer

# UB40

Beetle silicone data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: silicone wire
- 3, Joint material: TPE
- 4, Core: 106 copper wire

---

## Selling points

- 1. Food-grade silicone thread, fire-resistant, anti-pull, not easy to deformation, soft and not easy to knot, longer service life
- 2. Using thickened silicone material, more flexible and soft, excellent hand feeling
- 3. Support charging + data transfer

# UB193

Nano silicone data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
  - 2, Material: nano silicone wire
  - 3, Joint material: TPE
  - 4, Core: 106 copper wire
- 

## Selling points

- Private mold nano silicone data cable
- Food grade silicone cable, fire resistant, anti-pull, not easy to deform, soft and not easy to knot, longer service life.
- With extra thick silicone material, more elastic and soft, excellent hand feeling
- Support charging + data transfer

# 铝合金系列

Aluminium alloy series

# UB176

Netflix charging data cable L/M/T

## Parameter

- 1. Length 1m, weight 52g
- 2. Material: braided
- 3. Connector: aluminum alloy
- 4. Core: 106 copper wires, support data transmission

---

## Selling points

- Striped design, reflecting the inner film color
- Support charging + data transfer

# UB187

Gradient data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

## Selling points

- Gradient shell design, unique shell process
- Support charging + data transfer

# UB154

In-mold charging cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

---

## Selling points

- In-mold molding data cable to prevent cable damage or accidental disconnection
- Support charging + data transfer

# UB41

Youth series charging data cable  
L/M/T

## **Parameter**

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,pink

## **Selling points**

- L-shaped design to prevent cable damage or accidental disconnection
- Support charging + data transfer

# UB42

Youth Series In-Mold Data Cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: pink,green,blue

## Selling points

- Two-color macaron color weave with aluminum accents
- Support charging + data transfer

# UB43

LED Indicator light data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,green

## Selling points

- LED night light settings late at night without wiping dark
- Automatic power off after half an hour of full charge
- Support charging + data transfer

# UB44

VID Illuminated data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,green

## Selling points

- LED night light settings late at night without wiping dark
- Automatic power off after half an hour of full charge
- Support charging + data transfer

# UB45

188 Aluminum braided data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, connector material: aluminum alloy
- 4, 130 five-core tinned copper wire, through the current 3A
- 5, optional colors: black

---

## Selling points

- Maximum 3A output.
- Hot expansion models
- Support charging + data transfer

# UB46

189 Aluminum braided data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 130 five-core tinned copper wire, through the current 3A
- 5, Optional color: black

## Selling points

- Maximum 3A output.
- Hot expansion models
- Support charging + data transfer

# UB47

King Kong charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 130 five-core tinned copper wire, through the current 3A
- 5, Optional color: black

## Selling points

- Maximum 3A output.
- Hot expansion models
- Support charging + data transfer

# UB48

V05 Charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Long net tail design to prevent cable damage or accidental breakage
- Support charging + data transfer

# UB49

X26 Charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Support charging + data transfer

# UB50

Second generation PD charging data cable

L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Support charging + data transfer

# UB51

SKL Single charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Support charging + data transfer

# UB52

King Kong charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Support charging + data transfer

# UB53

Pentium charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Support charging + data transfer

# UB54

Large flat cable charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: red

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Spring flat cable, convenient storage, suitable for car pulling at will
- Support charging + data transfer

# UB55

Large flat cable charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: pink

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Spring flat cable, convenient storage, suitable for car pulling at will
- Support charging + data transfer

# UB167

Aluminum case charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: orange,yellow,red,blue

## Selling points

- Colorful design at the end of the net
- Support charging + data transfer

# UB56

Aluminum case charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Square aluminum alloy + weave
- Support charging + data transfer

# UB57

Aluminum case charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Aluminum + Braid
- Cost-effective braided cable
- Support charging + data transfer

# UB58

Aluminum case charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Aluminum + Braid
- Cost-effective braided cable
- Support charging + data transfer

# UB59

Aluminum case charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Aluminum + Braid
- Cost-effective braided cable
- Support charging + data transfer

# UB60

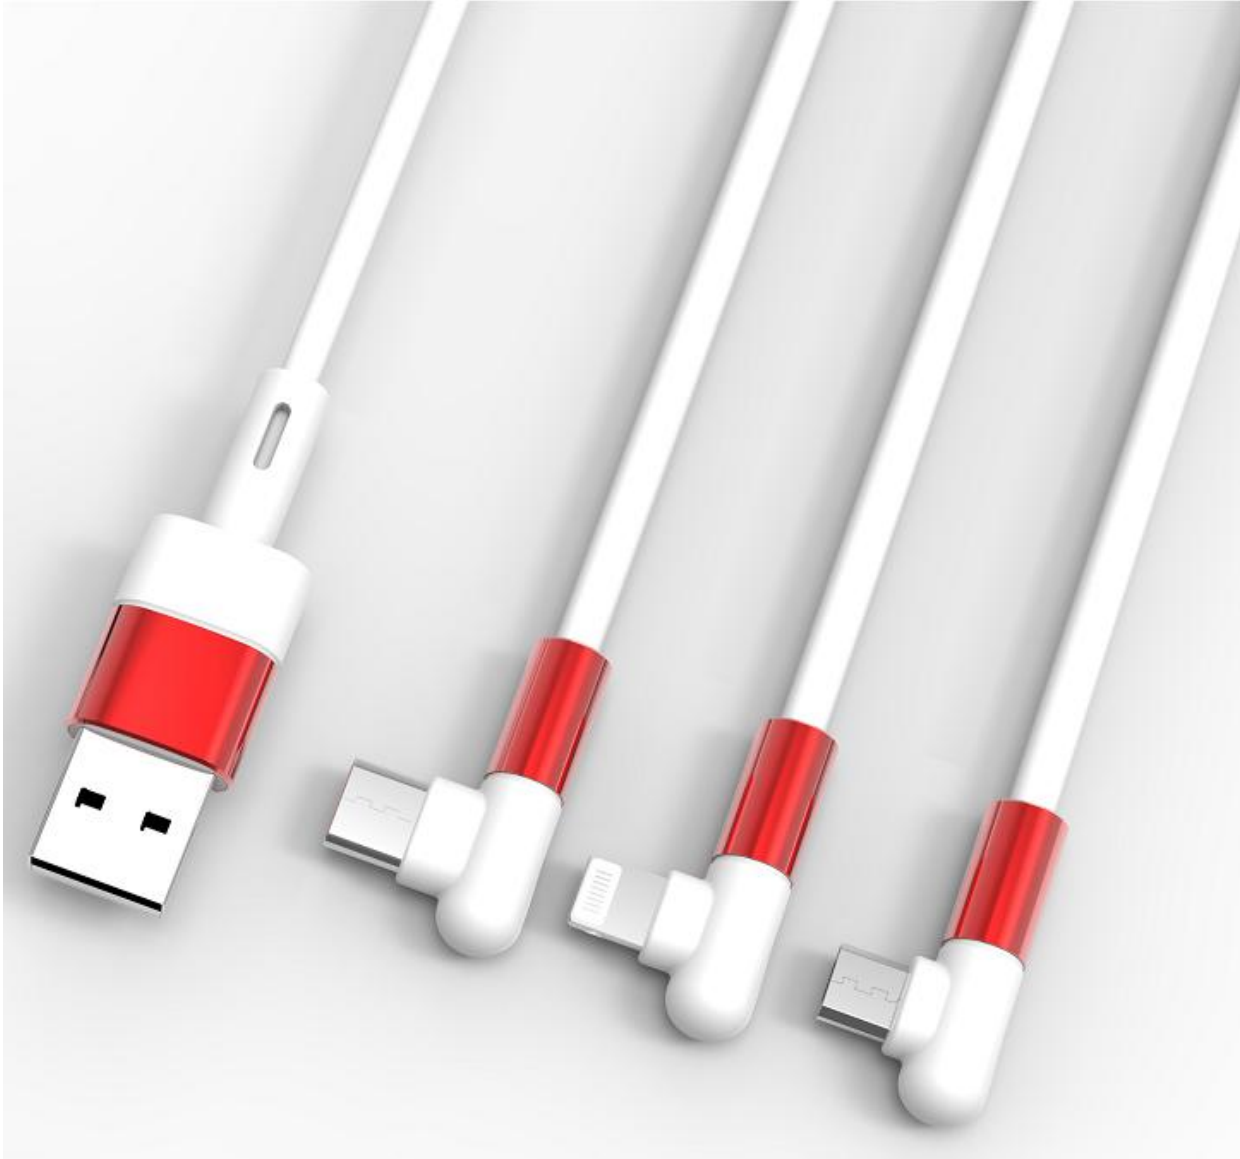

Handy charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- 1. Charging does not block the hand fast to get five kills, single elbow 90 degrees corner, while playing while charging the game both, does not affect the game play
- 2. Bend a little to be more fun, flexible line does not break the combination of reinforced connectors to turn for the phone party custom elbow, fit the palm
- 3. Support charging + data transfer

# UB61

Handy charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,white

## Selling points

- 1. Charging does not block the hand fast to get five kills, single elbow 90 degrees corner, while playing while charging the game both, does not affect the game play
- 2. Bend a little to be more fun, flexible line does not break the combination of reinforced connectors to turn for the phone party custom elbow, fit the palm
- 3. Support charging + data transfer

# UB62

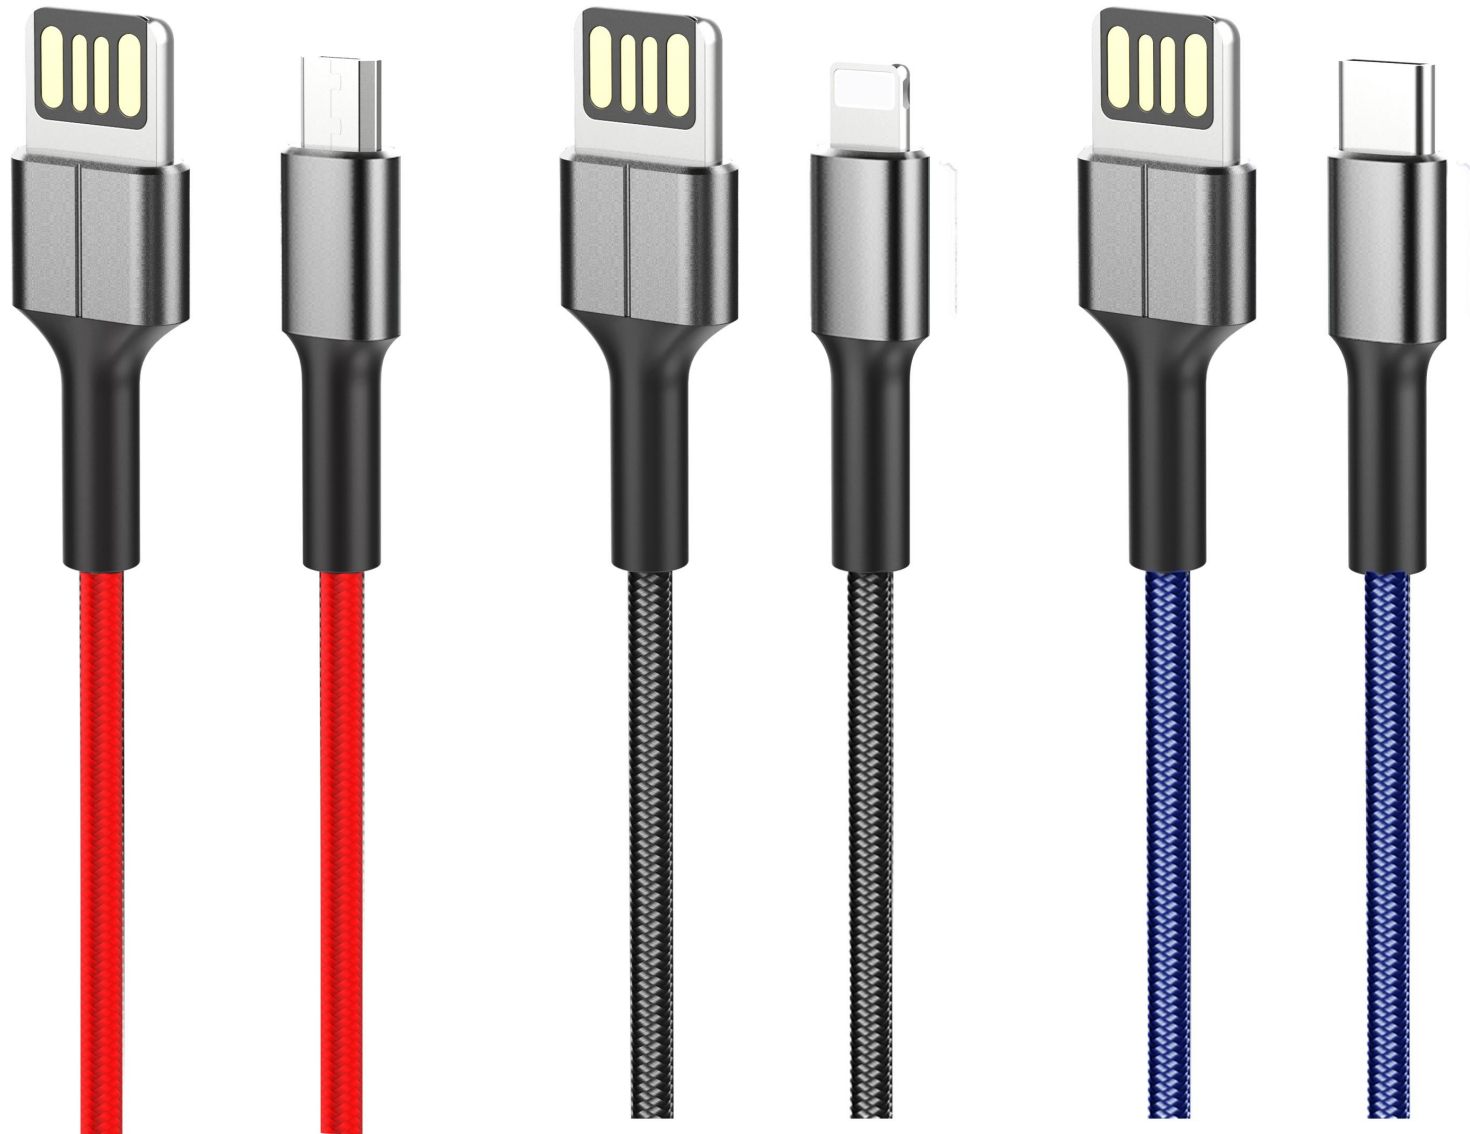

Tianzhu charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Round sky pillar appearance design
- Advanced high-gloss design data cable
- Support charging + data transfer

# UB63

Double-sided plug charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,blue,red

## Selling points

- Double-sided blind plug data cable, no need to waste time on charging, a one-time plug for charging
- No worries about not plugging in at night
- Support charging + data transfer

# UB64

MO Flat cable charging data cable  
L/M/T

## Parameter

- 11, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Spring flat cable, convenient storage: suitable for car pulling at will
- Support charging + data transfer

# UB65

Large flat cable charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,white

---

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Flat wire design All-round highlighting LOGO
- Support charging + data transfer

# UB66

ECO38 charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: green

## Selling points

- Long net tail design, resistant to bending, not easy to break
- Support charging + data transfer

# UB67

Purple rice slingshot charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: PU spring wire
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

## Selling points

- Long net tail design, resistant to bending, not easy to break
- PU spring flat wire, easy to store: suitable for car any pull
- Support charging + data transfer

# UB68

braided charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,red

## Selling points

- Rounded design appearance design
- Advanced high gloss design data cable
- Support charging + data transfer

# UB69

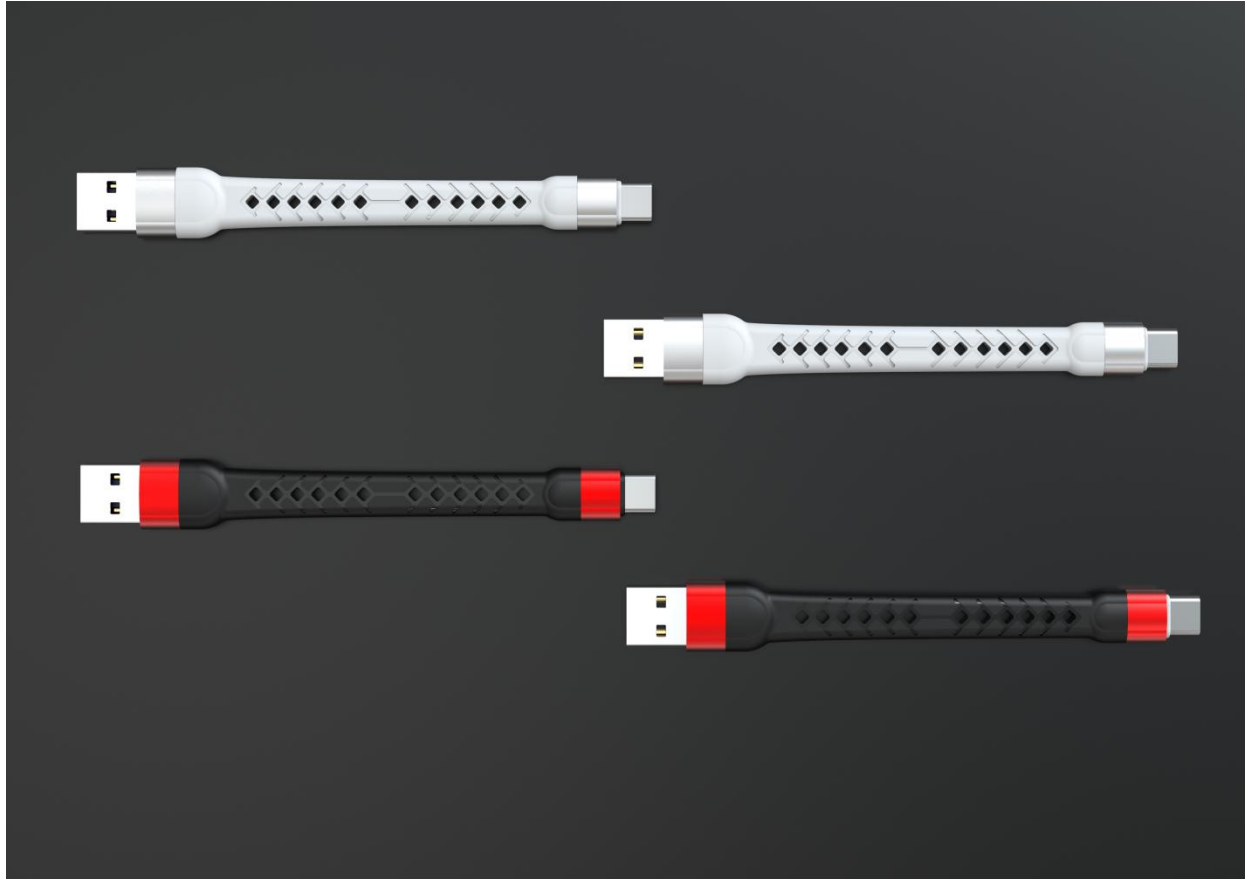

Storage short charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,red

## Selling points

- Unique design Portable storage
- Suitable for gift with random cable
- Supports charging + data transfer

# UB145

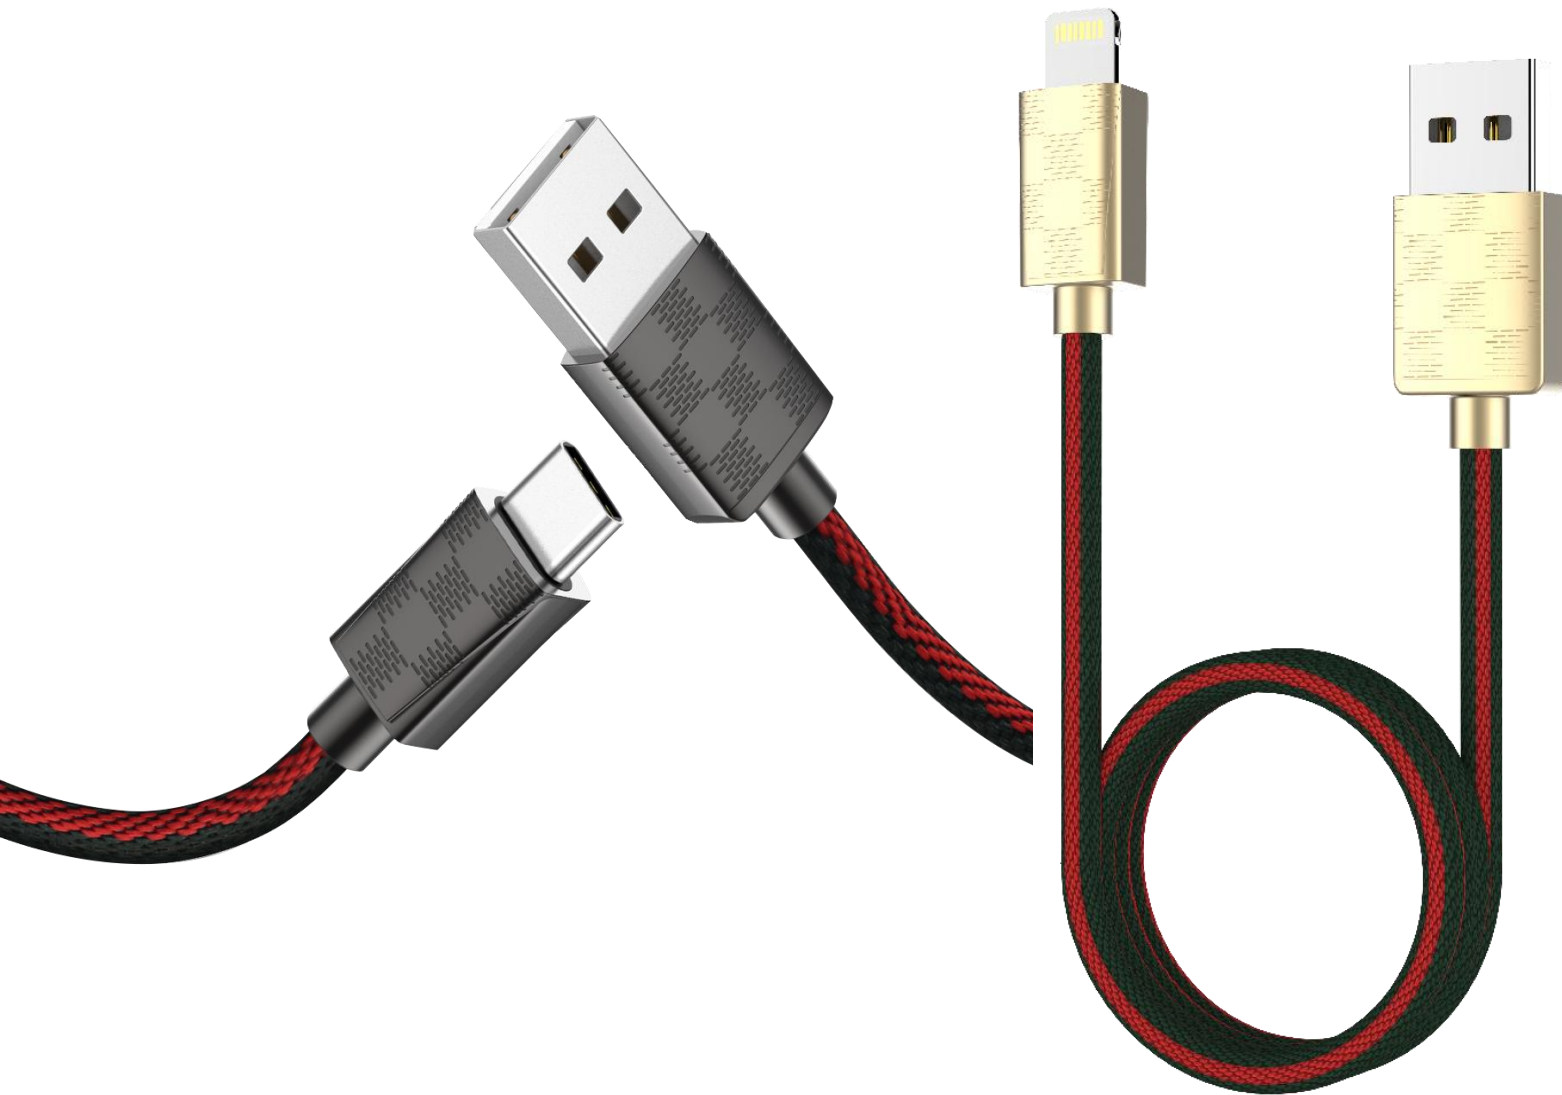

Short cable charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,white

## Selling points

- Super soft hand feeling Unique
- Support charging + data transfer

# UB147

Fairview zinc alloy charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: zinc alloy + fabric thread
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Zinc alloy patterned shell design
- Trendy two-color weave
- Support charging + data transfer

# UB148

Faraway charging cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: zinc alloy + Braided
- 3, Joint material: zinc alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

## Selling points

- Zinc alloy trolley case appearance design
- Support charging + data transfer

# UB155

Zinc alloy charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: zinc alloy + Braided
- 3, Joint material: zinc alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Zinc alloy minimalist style design
- Support charging + data transfer

# UB233

charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided + ABS shell
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- ABS shell data cable
- Support charging + data transfer

# 发光系列

Luminous series

# UB106

Handy light-emitting charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

## Selling points

- Born for the game - can play while charging the game both, does not affect the game play
- Double elbow 90 degrees corner design, turn for the cell phone party to build
- Light tips black night elves
- Support charging + data transfer

# UB70

Roundness light-emitting  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Roundness LED night light design
- Support charging + data transfer

# UB71

T-shaped light-emitting charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- T-shaped luminous appearance design
- Support charging + data transfer

# UB72

Flat wire light-emitting  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Luminous flat cable
- Support charging + data transfer

# UB73

Colorful changing light  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,white

## Selling points

- Seven color changing lights, dazzling fashion
- Support charging + data transfer

# UB74

Color changing light 2  
generation charging data  
cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Seven color changing lights,  
dazzling fashion
- Support charging + data transfer

# UB75

ABS Luminous charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black,white

## Selling points

- ABS shell Electroplated luminous appearance design
- Support charging + data transfer

# UB76

Xiang Yun light-emitting  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: zinc alloy + braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Auspicious cloud design, luminous data cable
- Support charging + data transfer

# UB77

Changing light charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Changing light data cable
- Support charging + data transfer

# UB78

UCool ordinary light-emitting charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- U-shaped light-emitting data cable
- Support charging + data transfer

# UB79

UCool smart power-off  
charging cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- U-shaped light-emitting intelligent power-off data cable
- Automatic power off after half an hour of full charge
- Support charging + data transfer

# UB80

Intelligent power-off charging  
data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: green

## Selling points

- LED night light settings late at night without wiping dark
- Automatic power off after half an hour of full charge
- Support charging + data transfer

# UB81

VID Intelligent power-off  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- LED night light settings late at night without wiping dark
- Automatic power off after half an hour of full charge
- Support charging + data transfer

# UB82

A generation of digital display charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Display data line, you can monitor the current information at any time
- High-energy digital display Clearly visible, charging data visible at a glance
- Support charging + data transfer

# UB83

Streamline charging cable  
L/M/T

## ⚙️ Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: red,green,blue

## ★ Selling points

- Metal magic flowing light data cable, night charging without touching the dark
- Streaming light ambient light, with it is good enough
- Support charging + data transfer

# UB84

tiktok charging data line  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

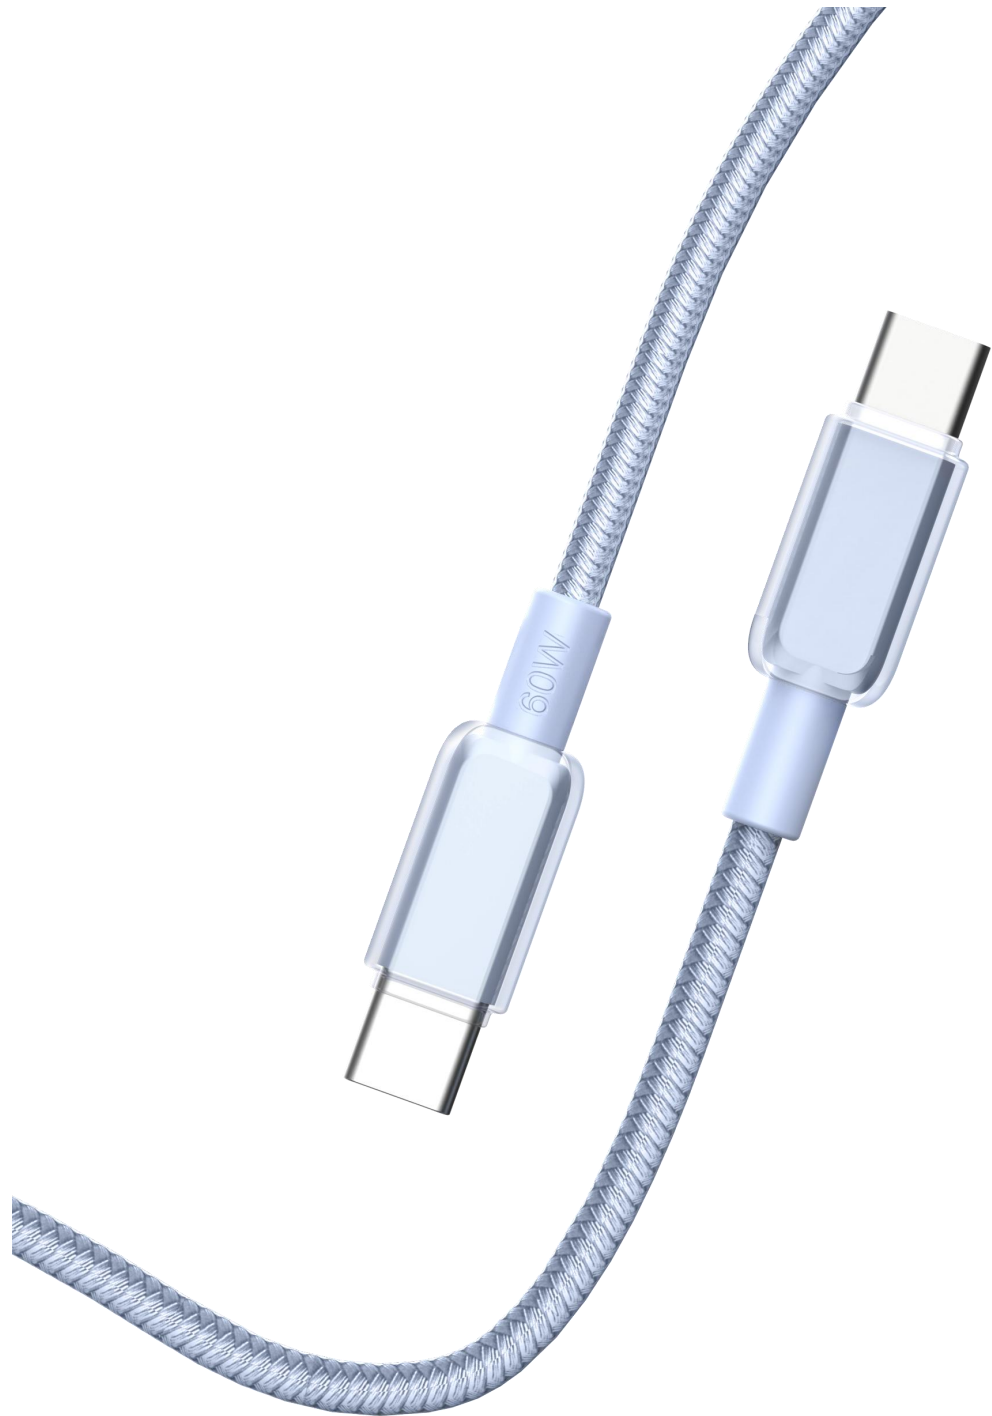

## Selling points

- tiktok beat line, line body LED lights flashing with the rhythm of the music, dynamic and cool
- Sound-controlled intelligent chip, only with the sound flashing cool energy saving
- Support charging + data transfer

# 5A 6A PD快充系列

5A 6A PD Quick Charge series

# UB216-

New transparent PD line

PD

## ⚙️ Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: TPE
- 4, Core: 134 copper wire
- 5, optional colors: purple

## ★ Selling points

- Transparent candy-colored appearance data cable
- Black and white color options
- Support charging + data transfer

# UB161-

ABS charging data cable

**PD**

## **Parameter**

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## **Selling points**

- ABS shell appearance design
- Support charging + data transfer

# UB177-

OD5.0 Liquid soft rubber charging data

PD  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- 1. Food-grade silicone thread, fire-resistant, anti-pull, not easy to deformation, soft and not easy to knot, longer service life
- 2. Using thicker silicone material, more elastic and soft, excellent hand feeling
- 3. Support charging + data transfer

# UB192-PD

Silicone charging cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- 1. Food-grade silicone thread, fire-resistant, anti-pull, not easy to deformation, soft and not easy to knot, longer service life
- 2. Using thicker silicone material, more elastic and soft, excellent hand feeling
- 3. Support charging + data transfer

# UB188-PD

OD6.0 Liquid soft rubber charging data cable

L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- 1. OD6.0 thickened liquid silicone, fast charging, no fear of low battery: dirt and dirt resistant, as new for a long time
- 2. Flexible silicone, after 30,000 times bending test does not break, bending resistance more durable
- 3. One second rebound Q-bounce not knotted, to avoid tangling, effective resistance to pulling to prevent breakage
- 4. SR strengthen the design of the folded, not bad
- 5. Support charging + data transfer

# UB85

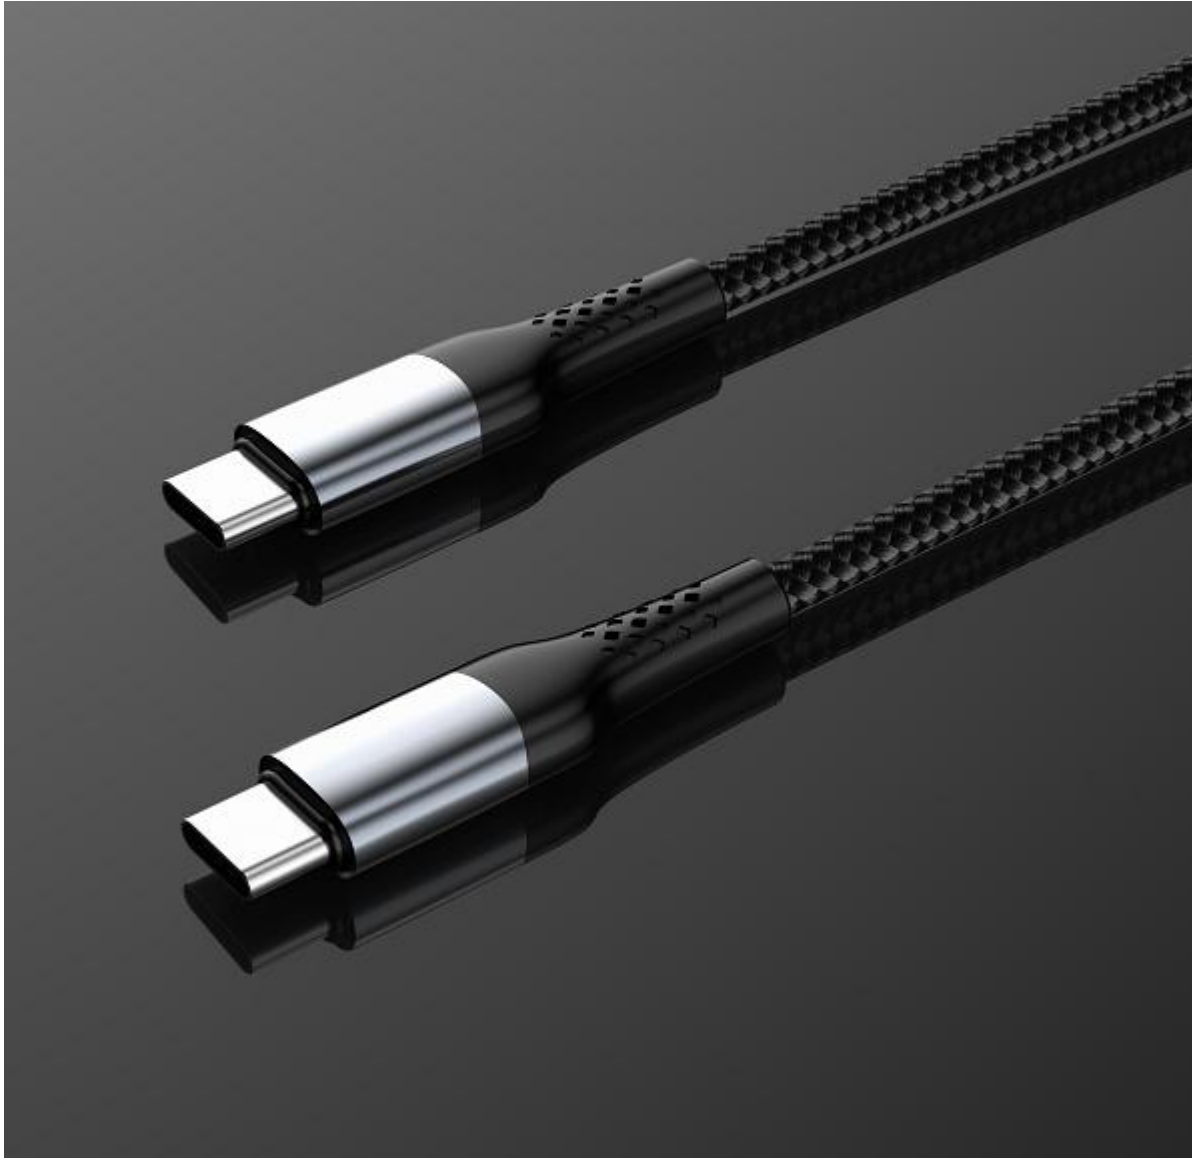

188PD charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- aluminum alloy+braided
- support charging+data transfer

# UB86

189PD charging data cableL/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- aluminum alloy+braided
- support charging+data transfer

# UB87

King Kong PD charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- aluminum alloy+braided
- support charging+data transfer

# UB88

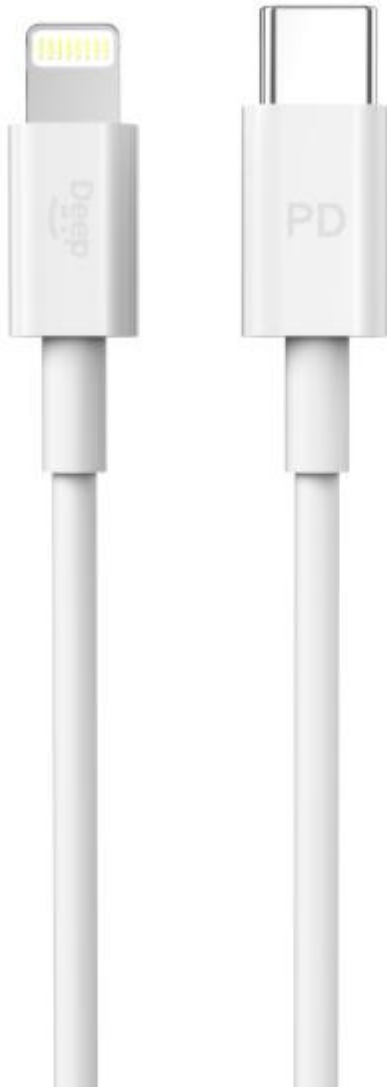

PD Second generation charging  
data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- Aluminum alloy + weave
- Support charging + data transfer

# UB89

Original PD charging data cable  
L/M/T

## Parameter

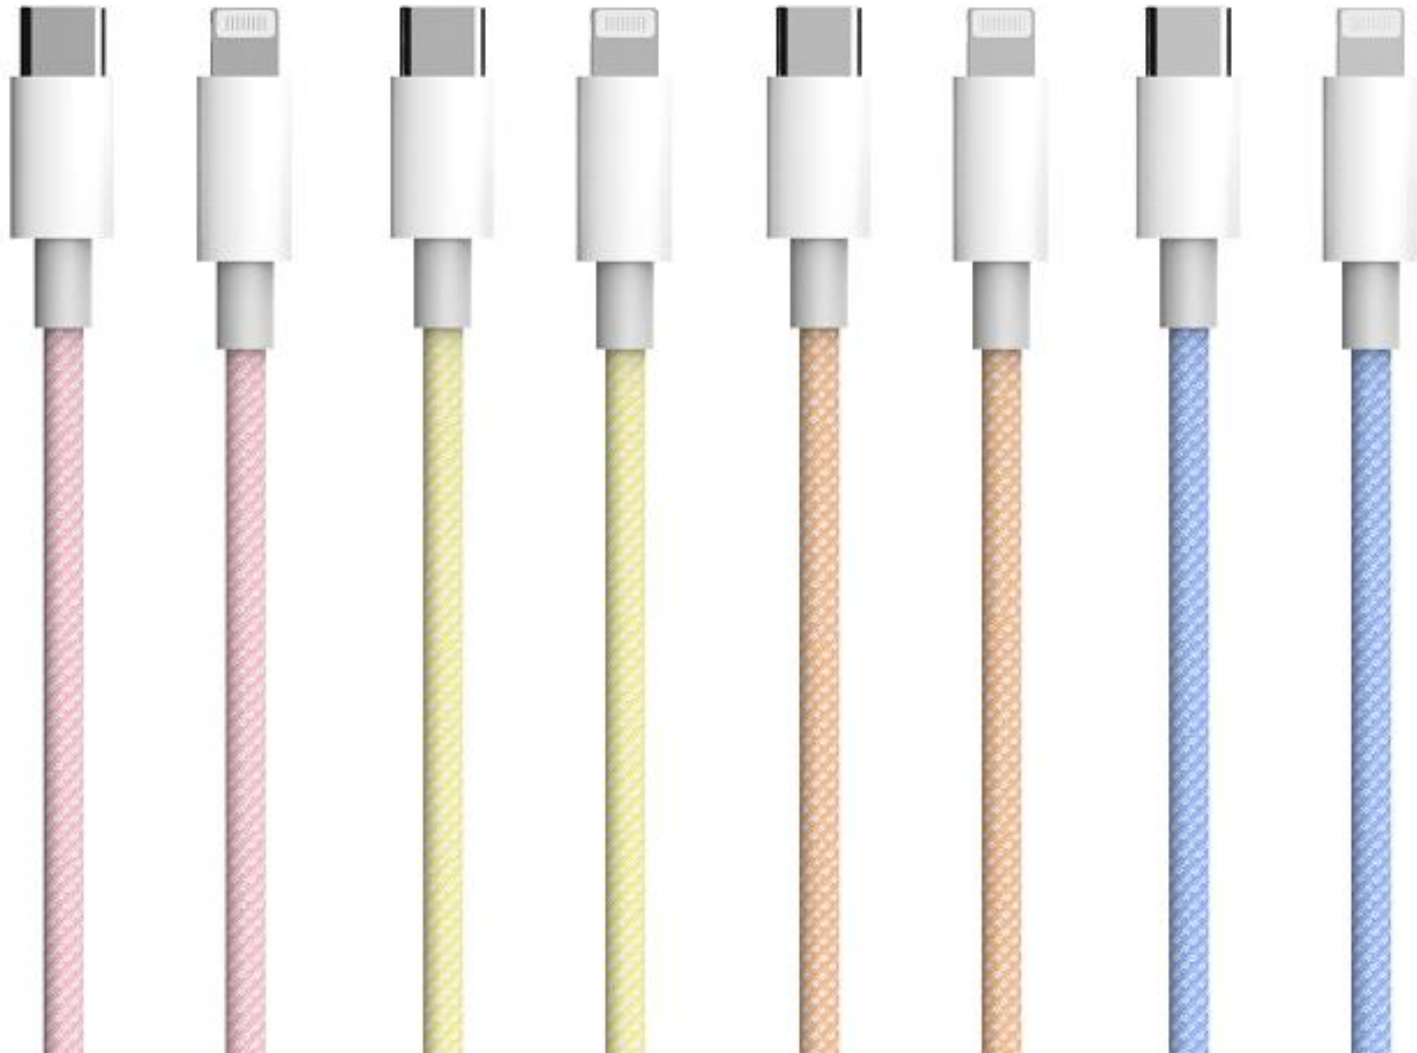

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

## Selling points

- TPE+ABS case
- Support charging + data transfer

# UB232

Original PD charging data cable  
L/M/T

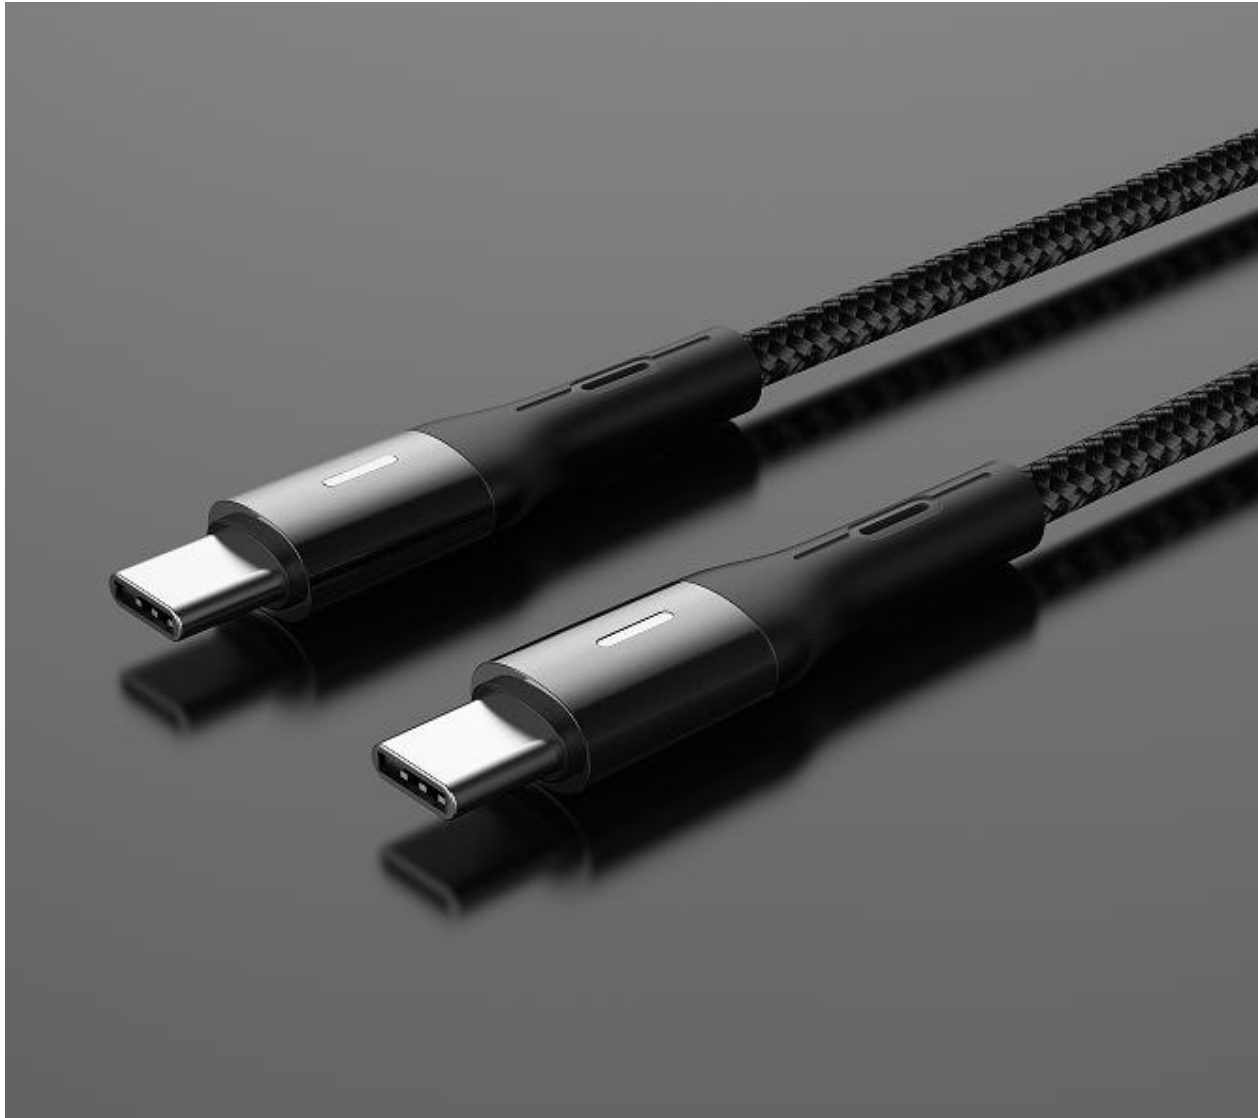

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white,yellow,orange,blue,pink

## Selling points

- High-density blended knitting More delicate than embroidery and more compatible with 13 models
- Two-color interwoven texture, strong and sturdy structure, outstanding value
- Support charging + data transfer

# UB90

C7PD Luminous charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- Aluminum alloy + braided light-emitting PD data cable
- Support charging + data transfer

# UB91

Formed PD charging cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white,black

## Selling points

- Two-color braided molded PD cable
- Support charging + data transfer

# UB92

Formed PD charging cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- One-piece molded PD data cable
- Support charging + data transfer

# UB233-PD

PD charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors:blue

## Selling points

- ABS case + braided PD data cable
- Support charging + data transfer

# UB189

braided PD charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white,pink,blue

## Selling points

- Macaron color PD two-color braided cable
- Support charging + data transfer

# UB93

Braided PD100W charging data cable L/M/T

## ⚙️ Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 244 copper wire
- 5, optional colors: white

## ★ Selling points

- All black texture High gloss frosted texture to enhance the plug gloss, refraction and texture
- Support 20V5A, 100W high power fast charging, specially designed for laptops that need more than 60W charging power
- 24 seconds to transfer 1G movie, the rate is as fast as 480Mbps, charging / data transfer are fast
- Support charging + data transfer

# UB187-

Gradient PD charging data cable

## PD

### ⚙️ Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: white

### ★ Selling points

- Gradient PD charging data cable
- support charging+data transfer

# UB94

Aluminum PD100W charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 244 copper wire
- 5, optional colors: white

## Selling points

- High gloss frosted texture, enhance the plug gloss, refraction and texture
- Support 20V5A, 100W high power fast charging, specially designed for laptops that need more than 60W charging power
- 24 seconds to transfer 1G movie, the rate is as fast as 480Mbps, charging / data transfer are fast
- Support charging + data transfer

# UB95

Aluminum PD100W charging  
data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 244 copper wire
- 5, optional colors: white

## Selling points

- Gunmetal aluminum alloy exterior with high polished mirror finish to enhance plug gloss, refraction and texture
- Support 20V5A, 100W high power fast charging, specially designed for laptops that need more than 60W charging power
- 24 seconds to transfer 1G movie, the rate is as fast as 480Mbps, charging/data transfer are fast
- Support charging + data transfer

# UB96

PD digital display charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided + zinc alloy
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, Available colors: black

## Selling points

- Charging speed is obvious, intelligent digital display fast charging visible
- Intelligent chip automatic identification, built-in power monitoring chip, safe and stable display, charging fast charging can be seen
- Zinc alloy constant temperature does not get hot to not hurt the machine more care for the phone, to protect the fast charging while not hurting the battery to extend the life of the phone
- Support charging + data transfer

# UB97

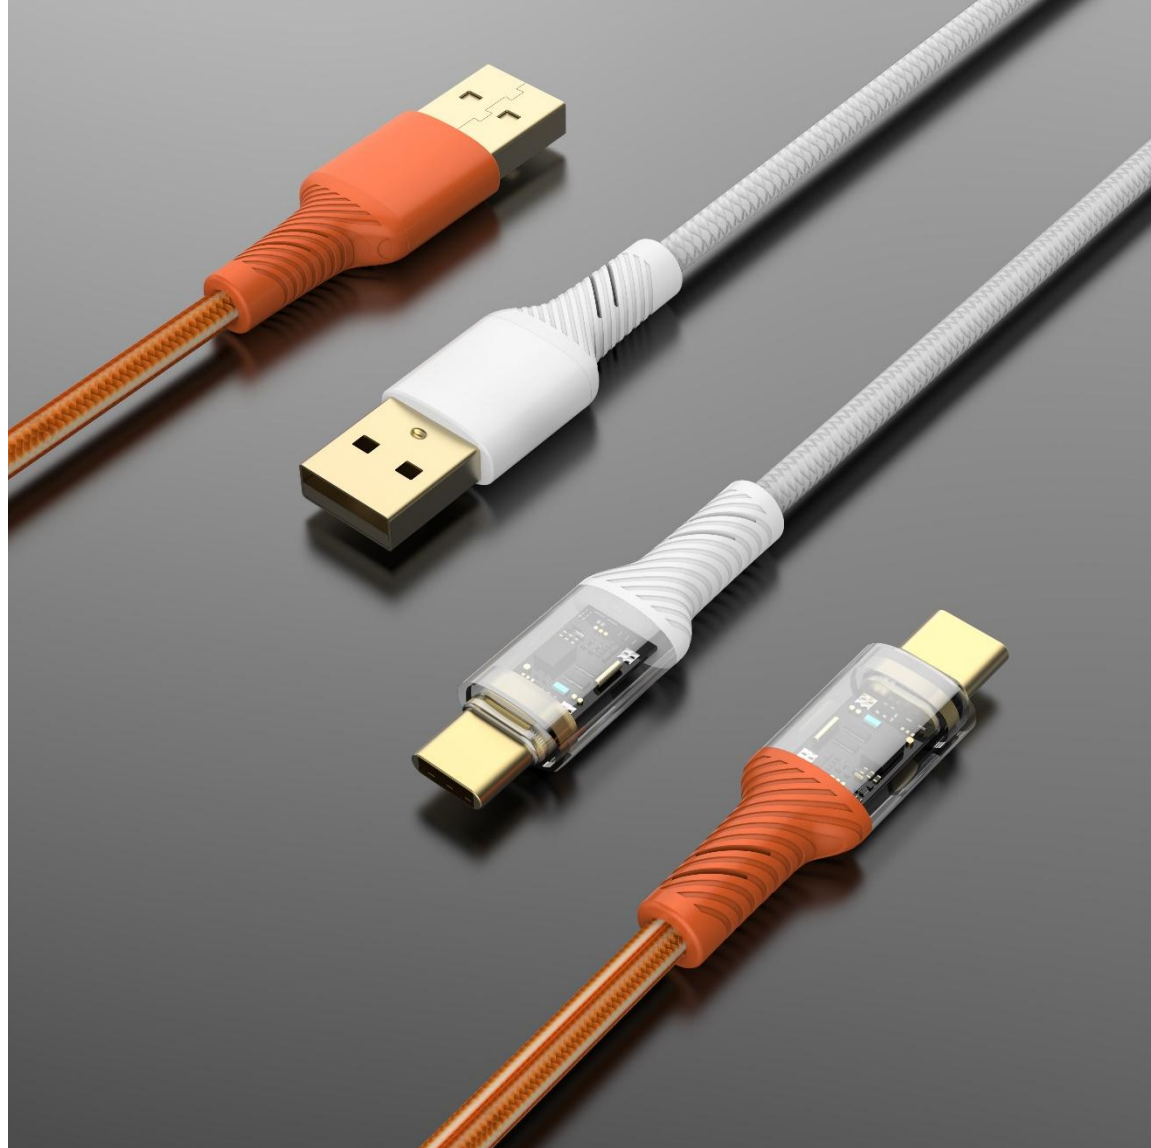

Digital display charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided+ zinc alloy
- 3, Joint material: aluminum alloy
- 4, Core: 130 copper wire
- 5, optional colors: black

## Selling points

- Charging speed is obvious, intelligent digital display fast charging visible
- Intelligent chip automatic identification, built-in power monitoring chip, safe and stable display, charging fast charging can be seen
- Zinc alloy constant temperature does not get hot to not hurt the machine more care for the phone, to protect the fast charging while not hurting the battery to extend the life of the phone
- Support charging + data transfer

# UB180

Fully transparent non-illuminated charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 130 copper wire
- 5, optional colors: black

## Selling points

- New generation E-Marker chip with 27 built-in components, black technology visible transparent data line
- Transparent shell sealed circuit crystal, precision structure at a glance
- Support charging + data transfer

# UB180-

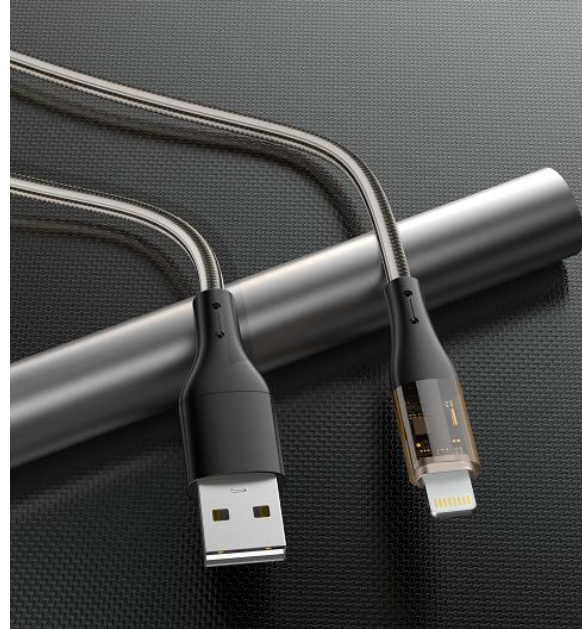

Fully transparent non-illuminated  
**PD** charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- New generation E-Marker chip with 27 built-in components, black technology visible transparent data line
- Transparent shell sealed circuit crystal, precision structure at a glance
- Support charging + data transfer

# UB181

Fully transparent non-illuminated charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: transparent weave
- 3, Joint material: aluminum alloy
- 4, Core: 130 copper wire
- 5, optional color: black

## Selling points

- Transparent shell design, internal precision components visible at a glance, neatly arranged to show the beauty of the process
- High-tech transparent cable body design
- Support charging + data transfer

# UB181-

Fully transparent non-illuminated  
**PD** charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: transparent weave
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional color: black

## Selling points

- Transparent shell design, internal precision components visible at a glance, neatly arranged to show the beauty of the process
- High-tech transparent cable body design
- Support charging + data transfer

# UB178

Fully transparent light-emitting  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 130 copper wire
- 5, Available colors: black

## Selling points

- The first mechanical light-emitting charging cable, a new generation of E-Marker chip built-in 27 components, black technology visible transparent data line
- Transparent shell sealed circuit crystals, precision structure at a glance
- Support charging + data transfer

# UB178-

Fully transparent PD light-emitting charging data cable

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- The first mechanical light-emitting charging cable, a new generation of E-Marker chip built-in 27 components, black technology visible transparent data line
- Transparent shell sealed circuit crystals, precision structure at a glance
- Support charging + data transfer

# UB164

Translucent light-emitting charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 130 copper wire
- 5, optional colors: black

## Selling points

- The first mechanical light-emitting charging cable, a new generation of E-Marker chip built-in 27 components, black technology visible transparent data line
- Smoky gradient shell sealed circuit crystal, precision structure at a glance
- Support charging + data transfer

# UB164-

Translucent gradient charging

# PD

data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- The first mechanical light-emitting charging cable, a new generation of E-Marker chip built-in 27 components, black technology visible transparent data line
- Smoky gradient shell sealed circuit crystal, precision structure at a glance
- Support charging + data transfer

# UB180

Glass digital display 6.0 data cable

L/M/T

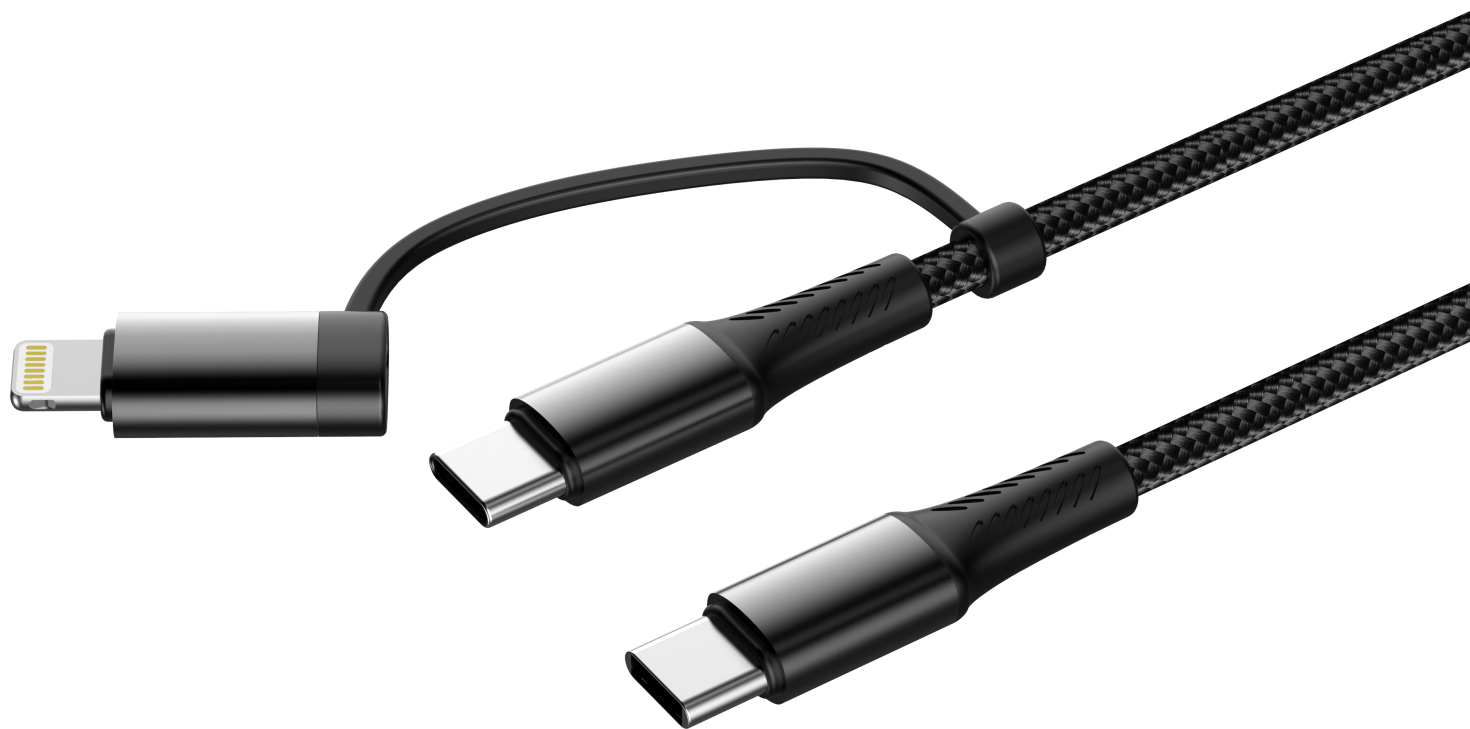

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- Glass digital display 6.0 data cable
- Support charging + data transfer

# UB98

CB188 PD 2 in 1 charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- PD 2-in-1 data cable
- Support charging + data transfer

# UB99

CB189 PD 2 in 1 charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- PD 2-in-1 data cable
- Support charging + data transfer

# UB100

4 in 1 PD charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: woven
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional color: black
- 6, multi-functional all-in-one, to meet the needs of various occasions, support USB-A to Lightning, USB-A to Type-C, Type-C to Type-C, Type-C to Lightning, the maximum output power up to 60W

## Selling points

- 4 in 1 PD multi-functional fast charging cable more devices do not need to change the line, a line to solve all your needs
- Type-C/USB A to Type-C/Lightning 4-in-1 adapter without carrying, one is enough for business trip
- Support charging + data transfer

# UB101

Three in one PD charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- PD 3-in-1
- Support charging + data transfer

# UB230

One tow three PD charging cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- USB one drag three data cable
- Support charging + data transfer

# UB231

One tow five PD charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 134 copper wire
- 5, optional colors: black

## Selling points

- USB one drag five data cable
- Support charging + data transfer

# UB102

Original 5A charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 162 copper wire
- 5, optional colors: black

## Selling points

- 5A high current braided data cable
- Support charging + data transfer

# UB103

NB166-5A charging data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 162 copper wire
- 5, Available colors: pink,blue,green

## Selling points

- 6A high current braided data cable
- Support charging + data transfer

# UB104

A generation of 6A charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 212 copper wire
- 5, optional colors: white

## Selling points

- 6A high current braided data cable
- Support charging + data transfer

# UB105

Second generation 6A charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 212 copper wire
- 5, optional colors: black

## Selling points

- 6A high current braided data cable
- Support charging + data transfer

# UB106

6A Braided charging data cable  
L/M/T

## **Parameter**

- 1, Length: 1m, Weight: 21g
- 2, Material: braided
- 3, Joint material: aluminum alloy
- 4, Core: 212 copper wire
- 5, optional colors: black

## **Selling points**

- 6A high current braided data cable
- Support charging + data transfer

# 多功能系列

Multifunctional series

尼龙编织 耐磨抗拉

不缠绕，不易打结，使用寿命更长久

# UB107

One tow three ping pong  
charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 102 copper wire
- 5, Available colors: black

## Selling points

- Three joints in three colors, color distinction, easy to identify
- High-quality braided wire, anti-tangle, no knot, no breakage
- Support charging + data transfer

# UB108

SKL One tow three charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 102 copper wire
- 5, Available colors: black

## Selling points

- High-quality aluminum alloy shell, anti-oxidation, corrosion-resistant one-to-three data cable
- One line three charging, to meet the needs of different devices; release desktop space, more convenient to go out
- Support charging + data transfer

2.4A电流 快速充

2.4A最大输出电流，快充不忽略

# UB109

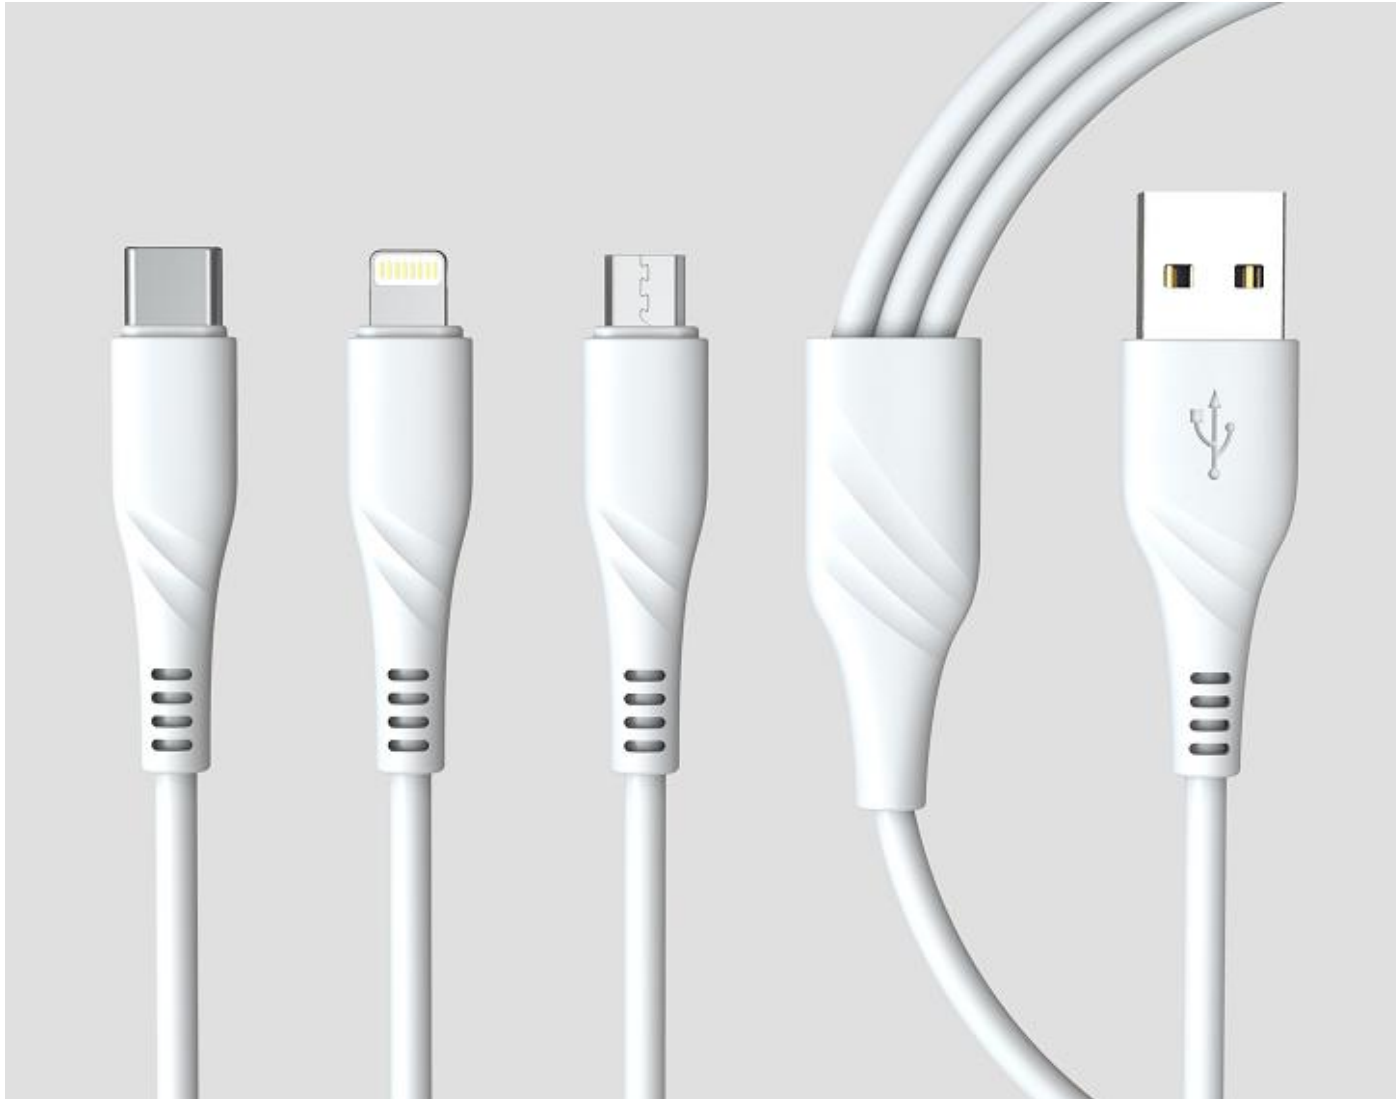

TPE Flat cable one drag three charging data cable L/M/T

## ⚙️ Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 102 copper wire
- 5, Available colors: black

## ★ Selling points

- TPEQ bullet cable body + high quality aluminum alloy shell, anti-oxidation, corrosion resistance one drag three data cable
- One line with three charges to meet the needs of different devices; release desktop space, more convenient to go out
- Support charging + data transfer

# UB110

pvc one drag three charging data  
cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: PVC
- 3, Joint material: aluminum alloy
- 4, Core: 102 copper wire
- 5, Available colors: white

## Selling points

- PVC one drag three data cable,  
cheap running models
- Support charging + data transfer

# UB111

Braided one-two-three charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 102 copper wire
- 5, Available colors: black

## Selling points

- High-quality aluminum alloy shell, anti-oxidation, corrosion-resistant one-to-three data cable
- One line three charging, to meet the needs of different devices; release desktop space, more convenient to go out
- Support charging + data transfer

## 分线设计 考虑 不同长度充电需求

1米线长

2米线长

不同长度，有长有短，  
满足不同充电需求。

# UB112

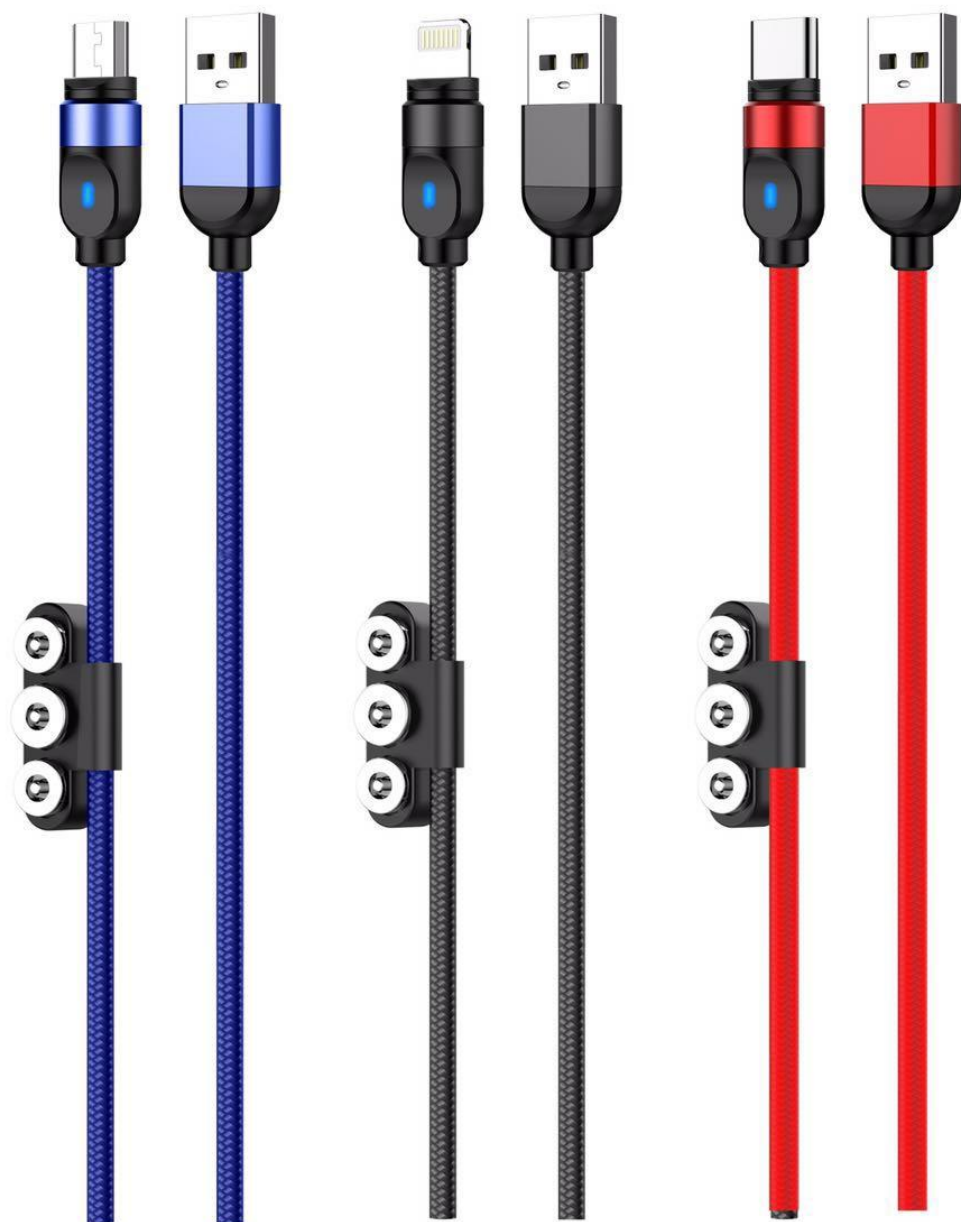

One drag six braided charging  
data cable L/M/T

### ⚙️ Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

### ★ Selling points

- One drag six data cable
- Support charging + data transfer

# UB113

Magnetic CB173 charging cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 102 copper wire
- 5, Available colors: black

## Selling points

- Easy charging: magnetic design close to the connector automatically adsorbed, unplugged without obstruction to save operation, easy to power off
- Strong adsorption, double magnetic force, not afraid of shaking; a line with multiple, connector storage design is not easy to lose
- Magnetic adsorption design to reduce the number of times the phone interface is plugged and unplugged to reduce the damage to the phone

# UB114

Magnetic II new charging data cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

## Selling points

- Easy charging: magnetic design close to the connector automatically adsorbed, unplugged without obstruction to save operation, easy to power off
- Strong adsorption, double magnetic force, not afraid of shaking; a line with multiple, connector storage design is not easy to lose
- Magnetic adsorption design to reduce the number of times the phone interface is plugged and unplugged to reduce the damage to the phone

# UB115

Magnetic charging cable L/M/T

## Parameter

- 1, Length: 1m, Weight: 21g
- 2, Material: Braided
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, Available colors: black

## Selling points

- Easy charging: magnetic design close to the connector automatically adsorbed, unplugged without obstruction to save operation, easy to power off
- Strong adsorption, double magnetic force, not afraid of shaking; a line with multiple, connector storage design is not easy to lose
- Magnetic adsorption design to reduce the number of times the phone interface is plugged and unplugged to reduce the damage to the phone

# UB116

Retractable one to three data cable  
L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 102 copper wire
- 5, optional colors: black

## Selling points

- Retractable, compact and more portable; can be charged by multiple phones at the same time
- Double turbo enhanced slide bar, smooth and non-jamming retraction
- Soft spaghetti cable, soft and tangle-free

## 黑白两色

黑白两色经典不过时  
任你挑选

# UB117

Bracket cable data cable L/M/T

## ⚙️ Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## ★ Selling points

- Bracket cable
- Support charging + data transfer

# UB119

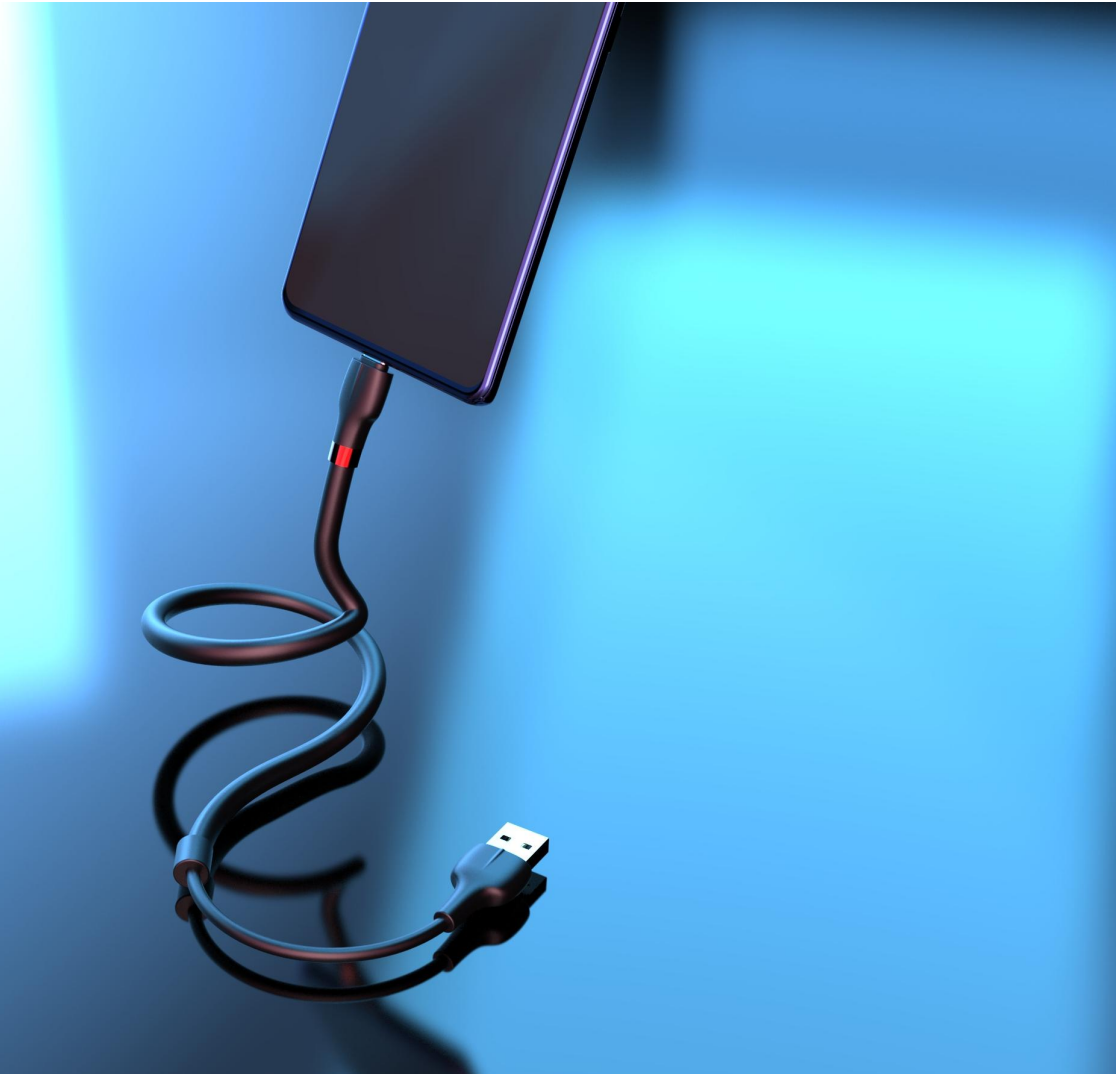

Bracket cable data cable L/M/T

## Parameter

- 1, Length: 1m, Weight:21g
- 2, Material: TPE
- 3, Joint material: aluminum alloy
- 4, Core: 106 copper wire
- 5, optional colors: black

## Selling points

- Bracket cable
- Support charging + data transfer

# UB141

Hdmi adapter

## Parameter

- 1, Hdmi adapter cable
- 2, Material: ABS
- 3, Optional color: white

---

## Selling points

- adapter

# UB142

Bluetooth receiver

## Parameter

- 1, Length: 0.12m, Weight:21g
- 2, Material: PU spring wire
- 3, Joint material: zinc alloy
- 4, optional colors: Silver

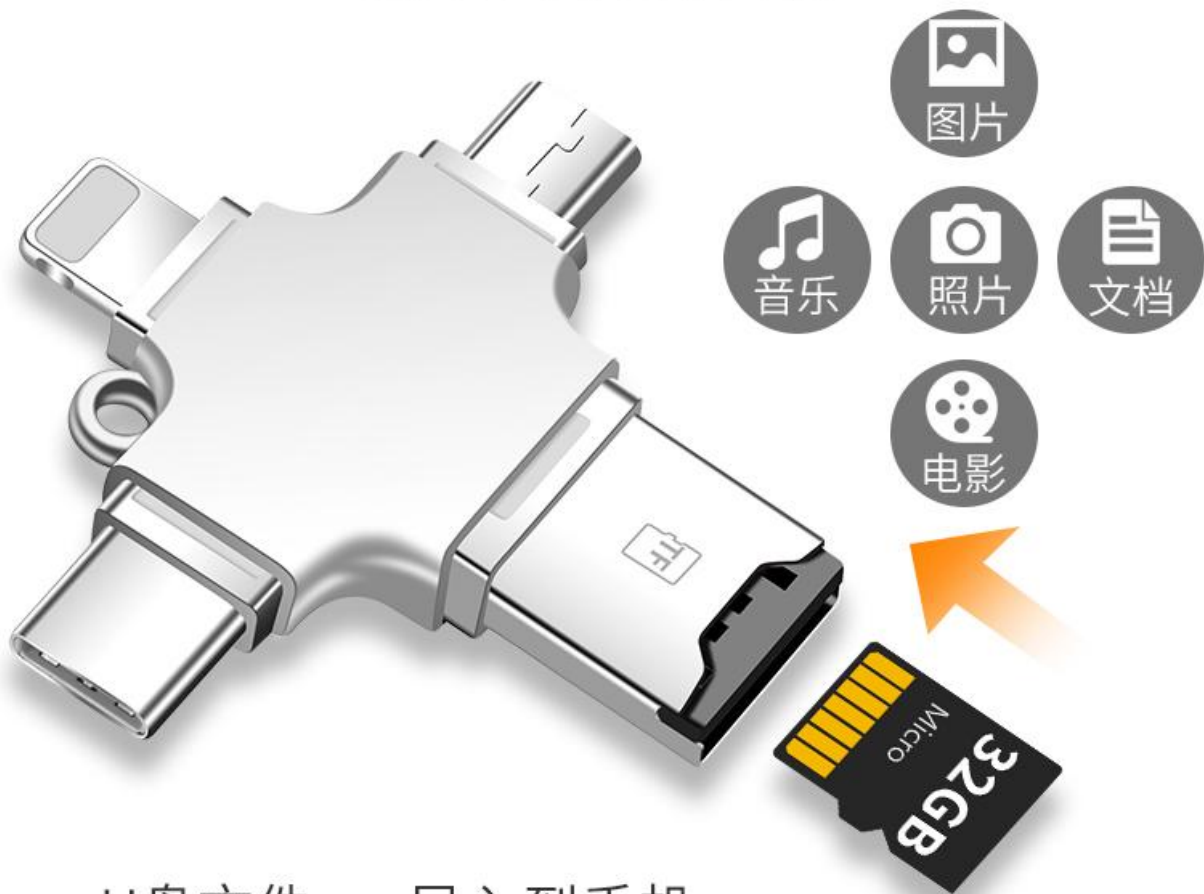

---

## Selling points

- Stable without lag Car Bluetooth audio cable: listen to songs, calls, navigation announcements
- Start with the car automatically connected, hands-free calls to release hands: restore the dynamic sound quality, release the charm of music
- 0.3M-1.5M free expansion
- Good heat dissipation not hot, zinc alloy shell, easy to heat everywhere, longer service life

# 随身移动宝库

存储电影、音乐、图片、工作资料到读卡器  
需要的时候即插即用

U盘文件——导入到手机

# UB143

4-in-1 card reader

## Parameter

- 1, four in one card reader
- 2, Material: zinc alloy
- 3, optional color: silver

## Selling points

- Better than a USB flash drive, get rid of the shortcomings of the traditional USB flash drive fixed memory easy to store full
- With the sound of mobile treasury, store movies, music, pictures, work data to the card reader when you need to plug and play
- High-speed metal phone card reader, easy to expand the capacity
